NEWS SHEET OF THE BOYS' BRIGADE CENTENARY INTERNATIONAL CAMP

ISSUE No. 1

DATE 20th August SPONSORED BY GESTETNER

HELLO!

Welcome to The Centenary International Camp. For most of us this will be the first time we have had the experience of attending a Camp of this size with over 1800 people from 35 countries quite a difference from Camps with your own Company. This will be an activity Camp - no potato peeling! no washing up! - with a wide range of things to do and places to see. Camp is a time for making friends and keeping memories so make new friends but don't just keep your memories when you go home tell others of the international movement that you are a part of.

'YOUR' Daily Paper

Centennial is YOUR 'aily Newsheet, it will be issued to you free every morning and will contain news and information about what is hapening at Camp. We would like to hear from you about your side of things

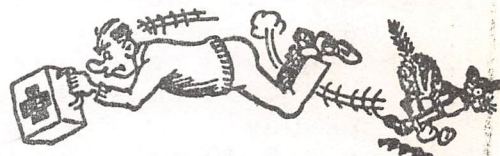

how you got here what you are doing in your Village and especially anything humorous that's occured.

Like all good newspapers we have a deadline which will be 5.00 pm each evening but come along to reception tell us your story and we will try to publish it. We hope you will enjoy reading Centennial and will contribute to YOUR Daily Newsheet.

Opening Tonight

Our first big get together will be to-night at 8.00 pm for the Official Camp Opening Ceremony in The Mess. THE Rev. Alan Mackay, Senior Camp Chaplain, will conduct a short service, The Earl of Mansfield will open the Camp officially, Colonel Corsar, our Camp Chieftain will welcome you to the Camp and Provost Mathieson of Perth and Kinross District Council will welcome you to Perth. Hope to see you there.

Doc Talk

"Hope we don't see you - professionally that is" - So say Dr Ian Pinkerton and Dr Mary-Anne Burrow and their staff but if you do not feel well they will be on duty 24 hours a day and ladies you can see Dr Burrow if you prefer.

If you are taking any medicines when you arrive please fill in the form you have been given as soon as possible and make yourself known to Dr Pinkerton or Dr Burrow.

Dr Pinkerton is opne of the only few people who have been present at more than one International Camp - this will be his third- Founders Camp, at Eton and Glenalmond and was Medical Officer at both, he's a seasoned campaigner but ready with his team to help you if you require

Chaplaincy

While you are in camp I hope that you will make time to look at the Chaplaincy Centre. The Centre will be a place where you will have an opportunity of meeting one another chatting with your friends and borrowing 10p off one of the Chaplains for a cup of tea or coffee from one of the hot drink machines, strong drink is also available in the form of "Granny's Tomato Soup" and as we are right next door to the Camp Hospital there is no reason to fear the after effects of this potent Scottish brew. There's something for everyone at the Chaplaincy Centre. Please come along on Saturday and Sunday 20 and 21 when you can find out more information and details about what is on.

TIME-TABLE

CAMP PRAYERS

One of the most important things in any BB Camp is its worship. The Theme for Evening Prayers is "ALTERED IMAGES" and each worship programme in the Theme will be introduced via six fun characters - "THE MISTER MEN"

Mr. DAYDREAM

Mr. CHATTERBOX

Mr. SMALL

Mr. BUMP

Mr. FORGETFUL

Mr. TOPSY?TURVY

The idea behind each worship programme is to start with something simple, light-hearted humorous (ie one of the Mister Men) and then to go on and to develop more fully the theme suggested by him. Each Mister Man, as well as being a "fun character" is also a symbol of the theme for the evening and provides a simple image which will hopefully stick in our minds long after the Chaplain has pronounced the last Amen!

Why call the overall theme "ALTERED IMAGES"? Simply this... it is hoped that each person will recognise something of themselves and of others in each Mister Man. Furthermore, it is hoped that in the light of the Gospel everyone will see the need to alter their image of themselves reflected in the Mister Men to a nearer likeness of the image which God gives to us of our true humanity in Jesus Christ. The theme will begin on Monday evening.

Morning Prayers will follow a simple theme "Follow the Sun". Each letter of the word CHRISTIAN will be taken in turn, and a word beginning with that letter will form the basis of the theme for the morning. I hope you will enjoy the worship as much as you enjoy all the other activities. Have a good Camp!

Activities

UNIQUE SOUVENIR

Now that you've read this far, take a break and stroll over to the Activities Tent. There

you'll be able to find out more about activities to keep you busy until the end of Camp. Pick up your Camp Award Record Card, and see how quickly you'll be able to qualify for this prestigious souvenir. It comes with a guarantee that any not earned by the end of Camp will be destroyed. they will not be given away; they will not be disposed of other than by destruction. If only 10 Campers earn the Award, then only 10 Campers will wear it. But we're sure many more will be able to wear it.

Got your Record Card? then look down the list of things you can do! See something that interests you? then find out more about it! The display in the Activities Tent will tell you all you need to know, or if there's something you want to know that is not there, ask the Activities Staff, they're all friendly and approachable. If they don't know (and as they don't all know everything about everything, that's a possibility) they'll know how to find out.

MAKING YOUR CHOICE

Decided what to do on Monday? Good, then in your Clam Marquee you'll find a list on which you can book your activity. Put in your Camp Number then indicate your first preference by giving the number of your chosen activity in the correct box, then do the same with your second choice and then with your third choice. Be careful to follow the instructions on the board on how to fill in your choices. At 5.00 pm each day this list will be taken away for processing in our computer and you can then make your choice for the next day on the fresh list. You will be able to confirm

our place on an activity hopefully before Supper or certainly by Breakfast the next day.

Remember that we have to work two days ahead, so by 5.00 pm today you have to choose for Monday, by 5.00 pm tomorrow (Sunday) you have to choose for Tuesday and so on.

Fancy hang-gliding, fencing, hill-walking in the Cairngorms? then go on, spoil yourself - put your name down and have a go. But please do read the details. Some of the arrangements for some activities are quite complicated and we don't want you to be disappointed.

FREE 'N' EASY

Today and tomorrow are free and easy. You can borrow equipment from the Activities Marquee and organise a game or games among your new friends in the Clan or with the Clan next door. Please remember to return the equipment when you've finished with it. Someone else will want to use it. Please be careful with it. Other people have to have fun with it too.

BIG BARGAINS

We've also negotiated concessions for you for putting, crazy golf, trampolines and boating in Perth. Collect your ticket from the Activities Marquee, present it at the kiosk on the South Inch and you'll be allowed a free turn on the activity of your choice. If you're under 14 you save 15p! If you're over 14, you save 25p!! Trampolines are for people up to 12 only (or tiny 13's and 14's!!) If you want to go boating you must be accompanied by an Officer. You will not be allowed on the boats otherwise!

OVERSEAS OFFICERS

No need to wonder what to do! We have a job for you please let us know what activities you are interested in being involved with. We need people with skills who

can give our existing staff a break, and people who are prepared just to go along and help by being there - eg., by supervising boating, camp games, changing accommodation, issuing equipment and checking its return. No excuses for feeling left out. Let's be having you.

Entertainment

Come along and relax in the Social Centres. See Notice Board for Canteen Opening Times!

While seeing the beauties of Scotland on the tours which you have already booked, additional attractions such as on the day to Loch Lomond, a sail down the Loch. More later!

Our opening get-together on Sunday in the Mess will feature Bill Torrance of Radio and TV fame. A night to be entertained and to entertain yourselves. Please bring your Song Book and if you have an instrument with you bring it along.

Activities

We hope that you've settled in now and found out where everything is. No doubt you've seen the range of equipment we have and today you can get started because we did not know how many of you would be here, and we only have a limited amount of time today, everything will be happening in Camp.

As much as possible will be available and all you have to do is turn up and join in. When you've had enough, move on and let someone else in. Obviously there may be some queues, but you should be able to try your hand at what is available.

On Tuesday, we are offering Basketball - Murray International Metals, a leading Scottish Basketball Team will be coaching and playing with those who choose this Activity.

Remember, your choice of activity for Tuesday has to be picked by 1.00 pm when the sheet of choices will be taken down to be fed into our computer and begin the process of selecting who goes where on Tuesday.

Then start thinking about Wednesday's choice.

Happy Activities

Now that you're here we haven't yet entertained you but we see you are doing much to entertain yourselves and use the Canteen's full facilities in Units and at sports field. See Notice Board for details.

There was a big rush on drinks yesterday - 40 cases in 40 mins - so get there early, its to be warm tomorrow again.

We're in the News

Our Centenary International Camp has been making headlines over the past 2 years but we are now in banner headlines with the start of the Camp.

Coverage of the Camp as you have seen in The Perthshire Advertiser headline "2000 at Scone Centenary BB Camp" with photograph of the Camp, The Dundee Courier headline "£12,000 per Day to Feed Campers" and both The Glasgow Herald and The Scotsman also with prominent coverage.

Our Camp Executive Officer has been busy too with two interviews on Local Radio, Radio Tay, so people in Scotland do know The Boys' Brigade is 100 years old.

Tomorrow BBC Scotland and ITV Thames Television will be filming in the Camp. On Monday a full Press Conference will be held and National Press, Television and Radio coverage is expected and a Street Banner spanning the High Street of Perth was put up last night. With over 1400 here at 8.00 pm last night we're sure to make the news again. The Centennial will keep you up to date.

Weather

Dry and warm again but mist at first clearing later with the possibility of heavy showers.

Forecast courtesy of Glasgow Weather Centre.

It was reported that Executive Officer blows Gasket, not an unusual story at Camp but fortunately this one was of a car cylinder head gasket and not a fit of rage, we're pleased to report.

SECURITY -

Our Security Advisor requests we all read the Fire Notices on the Notice Board and follow, if required, the appropriate action.

Our Roving Reporter tells us congratulations are in order to David Brown on becoming a teenager yesterday. Thank you Stewart Village for this information.

FISHY TALE

Dr Pinkerton reported his first casualty, not a Camp Member fortunately, but a local fisherman with a fish hook attached to his head. Dr Pinkerton was able to remove a case of a hooked man not fish.

WELL DONE BRUCE

It was noted Clan Bruce was flying their colours yesterday, congratulations for providing a colourful welcome for their Villagers.

36 NATION AT CAMP

As you now know the German Ambassador to the United Kingdom was present at last night's Opening Service and hence became the 36th nationality to be present at our Centenary International Camp. Now come on Campers, get on your bike and give us your news.

Activities

Today, Monday, is the start of a week of exciting (we hope) activities.

We have had a number of teething troubles with

our Computer and apologise for the delay in advising you of your allocated activity for Monday.

Our task was not made easier by you all trying to choose the activities for which we have least places. We have tried to make as much available as possible, but we won't have a place for everyone in Camp to go to Hang-gliding or Board-Sailing to name but two.

Please check that you are not going on a tour before you choose an activity; please put in all three choices; if you only put in one, we can't allocate you a second choice!! Include at least one major activity such as swimming, team games or hillwalking where we can cater for much larger numbers.

If we can't allocate your choice, we will give you free time or the chance to see us about vacancies which may be available.

Remember on your activities today to get the Officer in Charge to initial your Award Card so that you've made a start on progress to your Award.

Wednesday afternoon, basketball activity will be led by Solripe, another leading Scottish Basketball Team with American stars, so here's a chance to be coached or entertained at the same time.

Many of you may be aware we had amateur radio and they will return to Camp on Thursday and Friday. They took part in The Boys' Brigade 17 Station radio link up from the Shetlands to Channel Islands.

Unfortunately only licensed operators are allowed to broadcast but we do have a qualified operators in Camp - Alison Clark in Lady Di and Stuart Riddell in Napier, "now they're listening to us"

NOTICES.

NO MALE CAMPER WILL BE ALLOWED IN OR TO CROSS THE LADIES VILLAGE.

A NUMBER OF ARTICLES HAVE BEEN LOST AND SOME FOUND, PLEASE COLLECT LOST PROPERTY AT ADMINISTRATION.

Weather

Again it will be misty at first but will clear later in the day and will be warm inland although there will be sea breezes on the coast.

By courtesy of the Glasgow Weather Centre.

Industrial Dispute

We are sorry for the delay in yesterday's paper but this was due to an Industrial Dispute between The Editor and the printer - a case of a split personality.

Ransom Demand

A letter arrived yesterday morning for a Camper in Clan Douglas. Negotiations can be entered into for the destruction of photocopies of envelope - contact Editor by 5 p.m. to-day or they will be pinned on Clan Douglas Notice Board - S.W.A.L.K.

Complaint from the Security Staff on night duty - they are being kept awake by snoring in the villages including the ladies village, this will not do as they like to sleep when making their rounds.

Birthday Greetings today to Robert Dempsey (16) in Clan Graham, we wish him a very Happy Birthday.

A Caymanian Camper from Clan Fraser lost nearly all his luggage on the way from London to Perth, but has so far been able to use T-shirt, pyjamas, socks, briefs, from his father who is an officer at the International Camp.

Another Caymanian Camper, Marc Wood is celebrating his birthday at Camp

Godfrey Meghoo.

Greetings for the success of the Camp have been received from the Grand Cayman Islands. St. Kitts, St. Martins, The Earl of Elgin, the Brigade President and The Mayor of Hounslow.

After Monday evening's News on television a lady in a Perth Shop on Tuesday was heard to say "Goodness! I was Leslie Bissett's Sunday School Teacher." - What a memory!

International Camp Supplies

Full ranges of Tartan items again in stock.

Baseball comes to Scone

Thanks to some good thinking from some well prepared Americans, Clan Bruce held batting practise for 30 or so of its' boys. Judging by some of the hitting we've seen, there's some real potential here. Baseball has taken the Clan by storm and may lead to a game in the next few days, provided there are more ball players in Camp - long live baseball in Scotland.

Out and About

J. Colin Low, well known in these parts, gave the camp another boost yesterday when he was interviewed on Radio Tay. Well done Colin, more of the same please!

Great to see entertainment provided for the camp by a group in P.T. and our newly formed Camp Pipe Band. Sounds great from six campers who only just met at camp and have never played together before. Give us some more of your blow.

One of the campers visited a shop in Perth, and was told by the shop assistant that about one thousand of the two thousand campers had already shopped at that shop; Isn't that good business for Perth? THANKS TO THE B.B.

David Walter from the Cayman Islands counted 298 steps in the Monument in Edinburgh on Wednesday.

It is claimed that the best 'loos' in town are in Hamilton. 'Why?'

Because Andrew Collins and David Williamson having had greatness thrust upon them (and a mop), elected to carry out this duty, twice every day and are swiftly becoming expert loo do-ers.

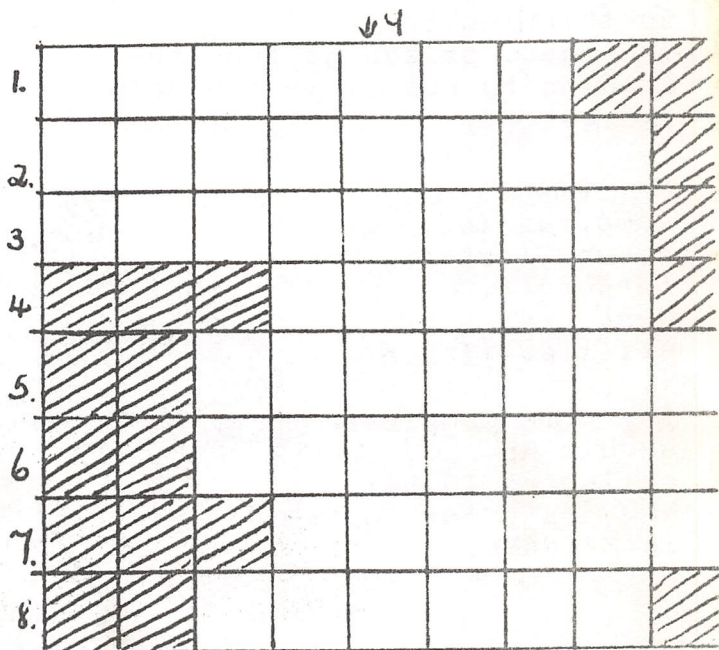

CROSSWORD.

Across.

1. One of the four gospels.
2. Acts 12, 22.
3. The book after Isaiah.
4. Mark 1, 29.
5. Last book of the old Testament.
6. (1) Chronicles, a descendant of Ishmeal.
7. The favourite son of Jacob.
8. Matthew 24, 15.

Down.

9. The name of a village.

HEARTBEAT

A well known Renfrewshire minister who is resident in camp was seen in Bells Sports Centre on the heartbea machine. It was noted that in the presence of a certain lady officer from London his heartbeat was well above average. Only coincidence I'm sure.

Activities

Activities are certainly in full swing now and some of our problems have now been resolved,

we have cycles for day trips, four extra water sports places, two extra hang-gliding places, and the human computers have produced the final list of activities for Friday.

Remember you can go along to Activities Tent and try to fill up any vacant spaces, if you are given free time first time round.

It is important to turn up for your activity and turn up ON TIME. Too many people are not turning up and too much time is being taken up by late comers.

Read your notice board.

Please also, remember that activity-goers have priority for buses into town, and that it is important to have a booking if you want to go to an activity.

Lots of campers are now gaining their Camp Awards; we will try to be as helpful as possible to help you complete what you need. So thinking caps on, work out what you need, or see us tomorrow evening to see if we can help you out.

CRAFTS

Tomorrow is your second last day for craft.

Most crafts are still available.

Any work completed should be collected TO-DAY.

NEW craft for Thursday and Friday is MACRAME.

Today's visitors included the new Scottish Secretary of the Boys' Brigade - soon to be - we wish Mr. McLaren well when he takes up his new appointment later this year. Also in camp, we have seen the BB film crew who are preparing a new film on The Boys' Brigade Centenary Year, we look forward to seeing the new film.

Entertainments

CALLING ALL MUSICIANS.

Could all instrumentalsists (excluding pipes), meet me at the Radio Tent at 6.30pm today, (thursd: (Thursday) to arrange a practise for the 2 rig camp concerts. I am particularly looking for Brass people, and I have one euphonium available for anyone able to play it.

I would like to see those campers who sang in Sundays Choir (and anyone else interested) at 6.30pm on Friday in the Radio Tent to see if we can get together again for the final concert.

Anyone interested but unable to meet at the set times should pass a message on to David Hunt Clan Kennedy, Tent 4.

Activities

Lots of Camp Awards are now being issued and one or two more activities have been added. Helping produce "Centennial" now counts 2 points in Section B, so come along and help The Editor at 5 p.m.

Mechanics was added to the list of Water Sports yesterday when the power boat for water ski-ing broke down. All ended happily however and the party stayed later on to compensate for lost time.

Hill Walking has been less popular than we had expected with campers, but the driver on the Glen Clova run has thoroughly enjoyed coming out on the hills and abseiling with our parties. The abseiling parties seem to be enjoying themselves despite the antics of "Mad George" and his staff. Two new ropes are now available so no more frayed edges round the campers.

Crafts marquee has now been re-stocked and there are some new items available so remember its your last chance to make a souvenir to take home!

For the next time we run a camp we are going to feed central activities staff on apples and bananas so they can cope with activity bookings.

WE understand we have a SUPER-GRAN in camp Eliz abeth Brownlee is putting us all to shame with her hill walking exploits. Liz, we understand, is agran with eight grand children -LEG POWER RULES OK.

BIRTHDAYS

Birthday greetings today to Ian Hamilton (15) of Clan Napier and Ian Moss (15) of Ian Stewart. Kathy Redler - whose age we will not disclose -(staff) of Lady Anna, we wish all of you a very happy birthday.

"Me Sweat Shirt"

Oh, I wish I'd looked after me sweat shirt,
Which was issued when first I arrived
'Cos Ailan says "You can't have another,
So keep clean you'll just have to try."

Oh, I wish I'd looked after me sweat shirt,
'Cos somehow it's covered with muck
There's beans, an' spaghettie an' chocolate
Which somehow has got itself stuck.

Oh, I wish I'd looked after me sweat shirt,
'Cos I've yet to show it to Mum,
But I'll wash it, and scrub it, and wash it
To try an' get rid o' the scum.

Oh, I wish I'd looked after me sweat shirt,
'Cos it 'minds' me o' all the good fun,
I had wi' the boys at camp Scone,
In the clans, in the sports, in the SUN??

Here We Go!

What a day going to Ibrox was, a long journey, but a great, great day. One which will be remembered for many many years.

As a report where do you begin - to mention any of the performances in particular would be impossible, as there are not enough adjectives to describe all of them. As one of the very fortunate people to be present I was honoured to be on the field. At Ibrox it looked and sounded as if you the Campers were the only ones in the Stadium. The cheers you gave the campers on the park when we came in was great - when you stood and cheered for the campers of 1933 was fantastic - then to sing us off the park was out of this world.

Our President must have been greatly impressed by the enthusiastic reception he received when he toured round the park before his departure. We look forward to seeing him when he arrives at Camp on Monday afternoon.

The best moment for me was at Auld Lang Syne when we linked arms bringing together the campers of 1933 and the campers of 1983 - giving a span of 50 years - a fitting act to meet with the message from these men to the boys of to-day.

You indeed covered yourselves with glory and were not only a credit to the Camp, The Boys' Brigade, but more over to yourselves. Keep it up and Here We Go! Here We Go! Here We Go!.. Cheerio! Cheerio! Cheerio!

Dr. Bisset

The Centenary International Camp has been a great success and we hope you have all enjoyed your stay in the beautiful grounds of Scone Palace. Over 40 activities, Concerts and various other forms of entertainment have been enjoyed throughout the camp but by far the most important aspect has been the friendship of people from 35 different Countries throughout the world.

You have hit the headlines on Television, Radio and in the Newspapers and made others aware that the Brigade is an Organisation very much alive and well in its' Centenary Year. We believe that Sir William Smith would have been delighted to see the way this Camp has brought so many people together and to see the friendships The Boys' Brigade has helped to make. Surely at Scone we have advanced Christ's Kingdom among boys. Regretably it will soon be time to go home and we trust that you will tell everyone about the Boys' Brigade Movement and what it does for boys throughout the world and its' doors are always open so that all boys could be part of YOUR International Movement.

You will have memories of the 10 days at Scone and in the years to come you will proudly say "I was a Centenary Camper at Scone".

So sadly we wish you safe home and remain always Sure and Stedfast.

Dr. Leslie Bisset.
Camp Exec. Officer.

Your Paper

Centennial would like to thank you for your loyal reading. We would also in this last edition of the newssheet like to thank Margaret Bannatyne, Jan Blackie and Dawn Smith who have all helped us by typing your paper over long and hard hours under pressure but always gave their services cheerfully and with enthusiasm.

Gestetner

Without the sponsorship and services of Gestetner this paper would not have been possible.

On your behalf we would also like to thank Col. Corsar, Dr. Bisset and all the staff of the Camp who have made The Centenary International Camp possible with many hours of hard work which they have put into the organisation and running of the Camp.

We have enjoyed producing the newspaper for you and we have been uplifted by your asking at our door "When will the next issue be ready" this has often kept our lagging spirit going and given us that extra boost. THANK YOU ALL.
