DAILY NEWSPAPER OF THE INTERNATIONAL CAMP 1991-SPONSORED BY GENERAL ACCIDENT

The parish church of the 'real' Kinfauns Castle recently closed down. Only a few people were going to services, and massive repairs were needed on the building.

At camp we've had the opportunity to worship in a relaxed and happy way. I hope you will support your church at home with enthusiasm because of your experience here.

May the spirit of our Kinfauns help to bring new life to your witness and service.

"The Crook"

BADGES -As you will no doubt have seen both John and Stan are avid collectors of BB Badges and are always on the look-out for new ones for their collection on their hats.

Any new additions will be more than welcome.

Congratulations to ABERFELDY tent for winning the Inter-tent Competition. This closely fought contest has moved first one way and then the other with the winner only emerging after the final inspection on Monday morning.

The final scores were :-

Aberfeldy	-	685
Forteviot	-	684
Crieff	-	656
Dunkeld	-	646
Grandtully	-	642
Birnam	-	633

INTER-TENT ACTIVITY COMPETITIONS

A clean sweep was recorded by Crieff Tent in the Volleyball, Football, Hockey and Rounders competitions although in the football and volleyball they required a playoff to come through

The runners-up in each of the competitions were:-

Volleyball	-	Birnam
Rounders	-	Grandtully
Football	-	Forteviot
Hockey	-	Birnam

When we met to look through the list of names which were to form Kinfauns Castle we had no idea what we would find when we arrived at Hazlehead.

Well, we have survived together for ten days and we hope that our "laid back" approach has contributed to making Kinfauns a happy castle.

With one or two minor exceptions, we have been proud to be associated with you. We hope that the spirit which has grown among us in the last ten days will be carried back with you to all parts of Scotland, England, Guernsey, Northern Ireland and Eire and that your individual companies will benefit from your new enthusiasm for The Boys' Brigade.

THE OCHILTREE JOURNAL

Who are the champions? Ochiltree Castle, winners of Its A Knockout competition, held on Sunday 11 August 1991.

OCHILTREE WATER BABIES

In this final edition may we bid a hearty welcome to new members of the Ochiltree Water Babies who were recently initiated by Phil Collins(John Neilson) and Jim Leishman(Allan Brown). To those of you feeling a little wet behind the ears just now may we just say that you asked for it and you certainly got it!!!

Phil & Jim.

COMMANDING OFFICERS MESSAGE

~~As we come to the close of our camp may I take this opportunity to thank you for your participation. It has been very enjoyable to work with you and experience the fun and fellowship developed within Ochiltree. May I wish you all every success in the future and a safe journey home.~~

GOD BE WITH YOU ALL

Willie Green.

NEW ZEALAND MEMBERS

To all members of Ochiltree, Thanks for a memorable camp, sharing in your lives, and making new friends but more importantly knowing that Jesus Christ can reign in our lives. Make sure you visit New Zealand and look us up.

Justin and Bruce.

INTERTENT COMPETITION

At the time of going to press a fiercely competitive intertent competition is nearing completion between the Earls and the Regents . All tents have competed well and credit is due to all participants.

Ken Mac Kenzie.

From Him and From Him.

May we take the opportunity to thank you for making this camp such a pleasure for us. The spirit within our camp has been due in no small way to your own efforts and it has been easy for us to mix with you. In years to come you will hopefully remember the good things about the camp and be giving the B.B. (& G.B.) some of the good things back.

Our international message goes to you all. LANG MAY YER LUM REEK. All the very best to you all for the future.

John & Allan

p.s. If you're ever in Stirling or Carnoustie dont hesitate to get in touch. Senoirs weekends could be arranged if desired.

W & I wish to thank all who pushed us together and kept us close during the ten days of camp and are sending us home very fond of each other.

LUV Teddy Bear.

Airth Castle News VICTORY AT LAST!!

After crushing defeats in every other sport Airth hockey team did us proud winning the qualifying rounds. The Castle went on to devastate and destroy the favourites Ochiltree in the semi-final in a shining and hardfought encounter.

Goalscorer, Paul McCann, saw his chance of glory and placed the ball in the next field through the goal. After this Ochiltree showed their true colours and threw a tantrum. Then, we narrowly missed a penalty by Skipper and team inspiration, Adam Peterson. FINAL SCORE: 1-0 ...AIRTH ARE IN THE FINAL.

There was a worrying start when Airth saw the referee training with the opposition, Kilfauns. However, we got off to a flying start with a good goal after 30 seconds by--yes you guessed it-- Paul McCann. After an amazing piece of play by the team, throwing Kinfauns into disarray, Airth held tight and 2 minutes before half time an attack ended in foul play by Kinfauns giving away a penalty.

Once again Adam stepped up to the spot to take the penalty. The tension reached fever pitch--- a hush went round the field. It's there! Adam, team stud, made it 2-0. Quiet man, Ian with the last hit of the game saw a scorcher of a goal safely in the back of the net. The crowd went wild and the ref blew for full time.

AIRTH ARE CHAMPIONS!

Small, Paul McCann, was carried off shoulder high and the team hailed hockey heroes.

-- Aaron Swift and Willy Studd.

Airth Hockey Winners

Adam Paterson; Owen Pryce; Ian Vandermotten; Iain MacPherson; Nathen Beru; Scott Paterson; Nick Packham; David Webster; Colin Wilson; Paul McCann.

Tent Competition

Winners are Tent 3: Paul Burgess; Paul McCann; William Barker; Cameron Pitcairn
Craig Reid; Andrew Livingstone.

Extra Duty Exclusive

Airth Castle would like to announce a miscarriage of justice. During the last week much has been said about Dean Saville being 'the Extra Duty King'. It has been discovered that someone else has been honoured with this majestic crown. Scott Gemmel has had 8 extra duties to Dean's 5. We apologise for any misunderstanding.

Happy Birthday to William McLennan--- 13 tomorrow!

Temporary Editor, Aaron Swift would like to thank all his readers for a great camp.

Airth Castle, always first at everything, kept up their proud record in the Inter-castle sports going out in the first round of everything except the hockey. We received a bye in the first round and then qualified for the semi finals. Perhaps, it is not surprising that we did so well at hockey as we have been giving everyone in the camp 'stick' all week.

His Eminence, Bishop of Airth, the Chaplain took some boys to the local Roman Catholic Cathedral on Sunday and was most impressed. He has requested a free transfer from The Church of Scotland before they throw him out.

Finally Airth Castle would like to thank the Editor of Hazle Headlines for the excellent job he did in screening all their articles.

And Finally.....

The Chaplain wishes to thank the boys and staff of Airth for making him feel so welcome and helping him enjoy the camp ~~so much...the soakings~~ excepted!

Chaplain's Parting Thought

If you are ever passing through Kirkcaldy.....keep going!

CAMP ABERDEEN 1991 INTERNATIONAL
GLAMIS

Cupid's arrows have been flying in Glamis, mostly in the direction of Gail and Paul. The whole camp has been entranced by this blossoming relationship. When Gail moves to Edinburgh to study it's expected that the Dundee to Edinburgh railway line will be kept busy.

Glamis is delighted to learn that Dalton has been doing his bit for International relations. He has been going out of his way to make a certain Italian party feel at home in Aberdeen. Keen motorcyclists Robertra and Valencia have been enchanted by big D's Brummie charm and by his kind invitation to come to the camp to hear his bugle playing.

Dates for your diaries: Gillian's birthday Tues 13th Aug. Ariston Party is expected.

From The Editor

Welcome to Hazlehead and to Hazleheadlines Issue #1. The Camp Newspaper will be produced each evening and should be available at suppertime, or breakfast next morning. There is one copy for every camper. If you don't get yours - ask your Captain!

This newspaper is not about Activities and the like. We might publicise special events, but you should get all necessary information on Activities, Banking, Programme from your Castle staff. What we want to see in Hazleheadlines are your news items about Campers and their Castles. Special birthdays? Special activities in your Castle? Achievements? Incredible facts!? Your jokes!?! (Although only really good ones or new ones will be printed) What do you think of the Camp so far????

Each Castle has a "Reporter" to whom you should give information and let him or her help you to write it up for delivery to Administration before lunch time. You will nearly always appear in print the next morning. Let's hear from you with items for Issue #2 NOW!

P.S. Please put your name, age and Castle on anything you send in. Thanks.

Politeness Pays!

Prince Edward, like other members of the Royal Family, is used to having his photograph taken everywhere he goes BUT lots of flash bulbs popping off can be very distracting and annoying. So if you have an opportunity to take his photo when he visits the Camp on Sunday morning - DON'T USE FLASH, please!

Our roving staff reporter will be following the Prince about and his efforts will be on sale later. If the Prince talks to you - smile! - you and he could be on your Mum's mantlepiece next week!

Letters to the Editor

Nobody has written yet. You could be the first!!!!!!

The Hazleheadlines logo - the truth revealed!

Those with sharp eyes and nothing better to do will have noticed that the logo at the top of Hazleheadlines is different from the badge on your Camp sweatshirt. Hazleheadlines is proud to carry the original logo for the Camp, showing the Corbel Tower which are common in Aberdeen and the surrounding area. Unfortunately the badge makers could not produce a badge in this design, so the logo was relegated in favour of the new badge carrying a representation of the Town House, Aberdeen.

Thanks!!

Our thanks are due to General Accident Fire and Life Assurance Corporation Plc who generously agreed to provide the paper for Hazleheadlines and allowed us to use their duplicating equipment to produce your copy.

ACTIVITIES : ACTIVITIES : ACTIVITIES

football : It's a football bargain sensation - £1.50 (Officers slightly more) to see Aberdeen -v- Manchester United. Don't miss out - Tickets (Which normally cost £6) are selling fast. See your Camp Captain - Delay may mean disappointment.

Fringe Activities : These activities, which will be available most evenings, consist of fencing, cricket, judo, amateur radio communications, crafts etc. Finally, but importantly, the Activities Staff welcome you to the Camp and hope you enjoy yourselves.

This is for the intelligent - Officers, please go to the next item).

Nobody was too keen to sing at first, but by the time the "rehearsal" for Sunday afternoon's hymns in the Music Hall was over it was loud and fast and pretty near the tune. It was a help to see Ian McCrorie waving his arms and his "large body" about; but the best help was the help we gave each other to sing. A great beginning to the Camp - a good beginning to Chaplaining work. As the days go on, the hope is that enthusiasm will grow in the same way for all the different things the Chaplains do : make sure you look into the Chaplaincy Tent soon.

Andrew McLellan.

SITUATIONS VACANT

JOKE

(This is the standard you must beat to get into print - so that should be easy

A gorilla went into a fast food restaurant. He asked for a pizza, and then he went to the check-out. The bill came to £3.50, but the cashier thought "This is a gorilla - he won't know the difference, so I'll charge him £10". The gorilla paid the £10, and just as he was about to go, the cashier said "We don't get many talking gorillas round here." "Well," said the gorilla, "with pizzas at £10 a time, I'm not surprised."

KINFAUNS started their inter-tent competition which included volleyball, hockey, football and rounders. At the moment Crieff are leading by 1 point but there is still a long way to go.

The referee complained of not being able to see the boys in the dark, far less the ball.

An injury was reported as Sammy Sinnamond was tackled by one of his own team. Trainer Niall Joss soon cured him with the magic sponge.

The Village was honoured to have the pleasure of meeting H.R.H. Prince Edward yesterday morning.

Will all members of Falkirk & District Battalion congregate at Airth Castle Marquee on Tuesday 6th August, 1991 at 12 noon to have a photograph taken for the local newspaper.

QUARTERMASTER'S COMPETITION

At Ayr, 1986 the Quartermaster Staff had the logo of a banana.

The first correct answer to guess this years logo will win the Grand Prize.

Answers with name and Castle to the Quartermaster's store, by Wednesday 7th August, 1991.

Congratulations to AIRTH's Captain, George Craig who celebrated his 32nd Birthday on Saturday. His wife, officers and boys of the 8th Falkirk Company presented him with two birthday cakes, followed by a ceremonial custard pie and cold water wash. George for once was almost lost for words.

George showed his ability to size up his officers having ordered large rugby shirts for all the staff. Officers are now looking for a good seamstress. Any offers?

Airth Castle would like to welcome Nathan and Ruffie Beru from Zimbabwe to the Camp and congratulate Nathan who was selected to make the presentation to Prince Edward on behalf of the Camp.

Some Companies were heard to voice concern over the mince rations - can't think why! - Mince was again served in one unit for late supper - curried this time.

BRIGADE CAMP CASH INC.

Our roving reporter advises us that several boys from Kinfauns Company were apprehensive when they saw the above logo in their unit bank.

Questions were raised as to the safety of their money which they had deposited last Saturday as they had all heard of the collapse of the Bank of Credit and Commerce International.

A spokesperson for 'Kinfauns' Company hastened to confirm to us that their bank was in no way connected with the Bank of Commerce, and has asked us to confirm to all their depositors that their money was completely safe.

Mean Livingston - Looking for Alcon coffee tokens to donate to Q.M.

Livingston's big mate (6'4") Stuart Wilson reaches greater heights to the top of Lochnagar.

To All Correspondents

Please note that, because of the Highland Games at Crathes Castle, there will be no Hazleheadlines on Friday evening. Copy received by 10am Thursday will go into Thursday evening's edition and the next deadline is 10am Saturday for publishing on Saturday night.

KINFAUNS is enjoying all the activities of the Camp. The wise ones are going swimming to get a wash and hot shower.

The most exciting activity in our Castle seems to be hillwalking where our one and only Sammy managed to bring back a story. He rescued a damsel in distress and they decided to come back a "short-cut" and still managed to be 15 minutes behind everyone else!

Attention all FALKIRK F.C. Supporters AIRTH Castle have organised an extra activity for Saturday 10th August. Will all Falkirk Bairns let Captain Craig know by Friday if they wish to travel on the bus to the Falkirk -v- Motherwell match. Cost £20 including match tickets!!

Two Kiwi (New Zealanders) in OCHILTREE Camp are going to conquer Scotland for 6 days after Camp. They request local knowledge as to what to see and accommodation. Contact Bruce or Justin.

A boy from AIRTH Castle reported to QM Dept. for duties and Robin Murray part-time Assistant Cook was delegated to show Dean Saville how to wash dishes. By the time Robin had demonstrated his expertise all the dishes were washed. This goes to show how brilliant Robin is Dean already knew this as he's a pupil at Queen Anne School, Dunfermline where Robin teaches.

Anon Member of QM Staff
Called Stuart Arnott.

The motto of some of the AIRTH boys is obviously "Be Prepared". Such was one boys willingness to leap into action at a minutes notice he was sleeping in full uniform. This aberration has now been corrected.

Well done David Fulton! David, despite having dislocated his shoulder was so desperate to meet Alex Ferguson and Alex McCleish at the Football Clinic he withstood the pain long enough to be presented with his certificate. He now has a sling to support his arm and has a double excuse for not washing his hands.

Congratulations to Nick Packham having been asked to play retreat on Wednesday for the entire camp.

At the Civic Reception AIRTH was represented by Captain Craig, Raffie Beru, Ian Vondermotten, Owen Price, Paul Burgess, Craig Reid, Iain Russell and Andrew Ferguson.

For Hire - Raffie Beru (ex-professional basketball player/hit man). Troublesome boys, late bedders, escort duties, marquee erected, lights out enforcer.

FROM THE CHAPLAINCY

Fifteen minutes of bangs, flashes, colours and excited OOHs and AAHS from the Campers (and thousands of Aberdonians). What a firework display!

A great celebration of the visit of the Tall Ships to the Granite City - an unforgettable experience.

And a timely reminder that all the glory and splendour earth can provide is only a foretaste of the glory which will be revealed to God's sons and daughters.

All this to end the Feast of Transfiguration, August 6th. As Peter said to Jesus, "it was good for us to be here!"

NOTICE FOR TWITCHERS

Strange exotic birds have been seen to be increasing.

A wee bird told me the Chaplaincy Centre might have more information about it.

GLAMIS NEWS

GLAMIS Village are pleased to announce the budding relationship of Paul Mill and Gail Tipping. Watch this space for future developments.

GLAMIS have recently employed a man-eating gorilla named Cornelius as a new security measure. Warning: all trespassers will be eaten!

GOVERNMENT HEALTH WARNING - David Edge, the left handed striker, is proving unbeatable at rounders. watch out for low flying objects: not to be confused with scud missiles.

ROSNETH were represented at the Civic Reception by six boys and two staff which included our two visitors from Zimbabwe. we were very well received with a very well prepared buffet and light refreshments. Afterwards we attended the fireworks display which was very impressive and sadly only lasted 15-20 minutes. Obviously a lot of time and effort put into this display. All in all a very enjoyable night.

LOST PROPERTY

There must be quite a few Campers who do not have as much in their suitcase as they had when they arrived on Saturday!

Please report to the Administration Office to collect.

CALLING ALL GIRLS

The Editor would like to apologise for any misunderstanding of the previous welcome to the "Girl Guides". This was printed because the GG thought they were being overlooked - now the GB think they are!

WELCOME TO ALL GIRLS - WHATEVER ORGANISATION YOU BELONG TO - EVEN THE BOYS' BRIGADE!

Ed.
