THE BOYS' BRIGADE

NOTES ON PRICE LIST — 1954/55

UNIFORM

Special attention has been paid to improving the quality of the Boys' Uniform. An alternative better quality belt (1s. 3d. extra) has been introduced and also a bleached white haversack at 4s. each, while the present unbleached haversack has been reduced to 3s. 6d. each. Stocks of the second quality Field Service Caps are now exhausted and only the better quality, at 5s. 6d. each, is now available. The quality and finish of badges are also being improved, without any extra cost, as present stocks are replaced.

Made-to-measure Blue Suits for Officers are now available in two quality cloths—one suit selling at £8 15s. 0d. and the other at £10 10s. 0d. each.

The few changes in prices for the coming Session are relatively small. When comparing prices it should be remembered that no charge is made for carriage and packing, which nowadays is a considerable item and an increasing item of expense.

EQUIPMENT

Some further new items are included in the Price List and in particular the range of Crested Gifts has been enlarged, as is shown on page 25. Present stocks of the Grey Pullover are being replaced with an improved pattern with elastic waist and cuffs. The white cricket shirt with collar attached, and the Blue Blazer, both with B.B. Crest and as supplied for use at the Founder's Camp, are now available for general sale (see page 14).

PUBLICATIONS

A number of new Publications have been added. The most noteworthy are "Pioneer of Boyhood", the new Biography of the Founder and the new P.T. Handbook. The latter is a comprehensive textbook on all aspects of physical activity. The new Bible Class Course for 1954/55, is the last in the series by The Rev. William Barclay. In addition to the usual annual publications, e.g. Membership Card, Diary (with pencil) and Christmas Card, a Wall Calendar for 1955 is being produced and the following are included for the first time, viz. Wayfarer's Progress Cards, some new titles in Prize Books, Coloured Postcard of Founder, New B.B. Song, "Mighty Band of Brothers", Stedfast Magazine Binder, and "A Village Company" leaflet. In several cases it has been found possible to reduce the selling price.

GENERAL

Last year supplies sold reached a record total and the Brigade Executive is grateful to all who buy from the Equipment Department thereby helping the advancement of the Brigade. With the continuance of this encouraging support the Equipment Department looks forward to another session of still greater service for the benefit of Companies and Teams.

The Price List is available free (on application) to all Officers and Leaders, and you are asked to make full use of it.
