BALMORAL CASTLE.

X
Recently I have been staying at Balmoral Castle, and the King wished me to assure the Officers and Boys of the Brigade how pleased His Majesty was to be Patron of an Institution which took so active and public spirited a view of its duties. The King warmly congratulates the Brigade on reaching the 50th. milestone in its life of valuable service to the youth of our country, and desires me to express His Majesty's best wishes for the continued welfare and prosperity of 'The Boys' Brigade.
