

PAC WHO'S WHO No. 2

Camp Director

Mr. Fred Roser

A 54 year old carpenter by trade, employed as a Production Planner by Australian Gypsum Industries. His father was a shearer and Fred was left in the care of a Christian uncle who encouraged his attendance at Sunday School and gradually introduced him into the church. Following the use of various types of boys clubs 22 years ago, the Blacktown Baptist Church decided to operate a Boy' Brigade Company and Mr. Roser was chosen to be its first Captain. In the intervening period he has had a break of 6 to 7 years but has been Captain again for the last 3 to 3½ years. Some of Mr. Roser's activities in recent months have been :-

Company Captain.

Chairman B.B. House (N.S.W.) Committee, Director 6 PAC , and Western Bn. President.

" The longer I stay in B.B., the more tremendous I realise the movement is " he says.

Although widely committed in God's work, Mr. Roser believes that if we seek His guidance in all things, God will always be with us to help us to accomplish the things that we seek to do for Him.

PAC GRATS

To all Campers attaining their Silver Pentapac awards. The Camp C.O. presented badges to 35 boys from No. 5 Company and the Transport Officer, Mr. Nav. Ray presented badges to 33 boys from No. 6 Company.

PAC THINK DEPT.

PROFIT OR.....LOSS

A servant of God was being driven home from a meeting where he had been to preach Christ as Saviour. The driver of the car was a young man and on the journey the conversation drifted around to profit and loss in the business world

" I can give you a very wise calculation in profit and loss " said the preacher. " What shall it profit a man if he shall gain the whole world, and lose his own soul ? or what shall a man give in exchange for his soul ? " Mark 8:36

The young man was silent. He had never attempted to work out that calculation before. However, God's Word worked silently in his heart and made him aware of his own danger because of the sin in his own soul which had never been cleansed or forgiven. Some time later these same words brought conviction in his heart which he honestly confessed and by trusting Christ for his salvation, came TO KNOW HIM as his Lord and friend.

Can you say with Paul, " But I am not ashamed, for I know whom I have believed, and I am sure that he is able to guard until that Day what has been trusted to me. " 2 Timothy 1:12

Letters to Editor Section

Sir,

We would like to know why the Yanchep tours are provided with large containers of iced water, the boys are instructed to take their cups, and then its presence is disregarded. We understand that this happened on both Tuesday and Wednesday. We would appreciate a thorough investigation of this serious matter and a written explanation in the first available issue of your paper. A special edition is not necessary although it would be appreciated.

Goldfish

Editors Note

I understand that a Royal Commission is to be set up with wide - ranging powers and with explicit instructions to report back as soon as possible on this very serious matter. Enquiries of this sort are indeed thorough so look for your reply in PACPRINT Vol. 7 No. 1 from in Victoria in 1980 - 81.

PACAPPRECIATION DEPT.

A wonderful camp is coming to an end much too quickly.

PAC CO-OPCO A vital ingredient to a successful and happy camp is respect for the property of others. Unfortunately this was lacking in those members who committed vandalism in their endeavours to remove chairs from the cabin of the President and Vice President. Not to mention the inconvenience caused by their act. Really fellows there is no place for that sort of behaviour and it is particularly despicable when directed against people putting in long hours for your enjoyment.

PAC CONCERN A humanitarian act of aiding an injured Boy on crutches was performed by an officer of No. 1 Company during the Yanchep - Fremantle trip. Without any thought of his own infirmities the Officer 'piggy backed' the Boy around during the bus stops. This is surely an example of concern and thought for our brothers and is to be highly commended.

PAC TIPS Reference water shortage. All camp members are requested to conserve water. Three minutes in the shower. Turn off the tap whilst brushing teeth. Use washing machines to full capacity.

PAC EAR It has come to the notice of security that certain suspicious looking parcels are being passed into the camp each day. It is suspected that some locally based Officers are attempting to avoid their laundry commitments by the ruse. Security Officers are at present considering making a substantial charge for any future packets they apprehend.

PAC BANK The Bank of N.S.W. now have available at 60 cents each a limited number of woven badges depicting their corporate symbol.

PAC POET DEPT 'THE STIRLING CASANOVA'

One Tuesday night to the pool we were taken,
The committee didn't know the mistake they were makin'
For on board the bus was our Company C.O.
The biggest flirt that any of us know,

It didn't take long before he spotted girls - so young!
And into the water he hastily sprung;
In half a jif he was joined by the mob,
And quickly proceeded to get on with the job.

The poor girls were somewhere on the pool bottom,
And the quiet swim they wanted, quickly forgotten;
Arms Legs were thrashing the water,
And everything wasn't quite what it 'orta.

The Chaplain under his breath a prayer was a muttering,
The pool manager over the loud speaker was stuttering;
But thankfully to say, the time has run out,
And this was the end of this particular bout.

PAC WASH DEPT There are reports of dirty money circulating in the camp. So much so that one No. 6 Company member included his in the dirty laundry. As he fished out his specs too from the floating debris he reckoned he'd be better off putting the specs on next time.

PAC FINE DEPT No. 6 Company reports it's lost property penalty system working well, much to the O.C's dismay when his bonnet turned up in a recent batch of finds.

PAC RECORD DEPT Abseiling is becoming old hat, but Morrie Gibson at 58 may well be the oldest hat to go off the tower????

PAC NEWS DEPT -- 126th N.S.W. EASTWOOD sent their baggage ahead by carrier. Unfortunately its arrival lagged behind and they are grateful to all who loaned gear in the interim and advise their luggage has now arrived.

— It is interesting to note the collection of whiskers around camp. Surely the canteen has razor blades!

Errata. Our first issue was labelled Vol 6 No. 5 - this should have read Vol.6 No.1. All who have received an incorrectly numbered sheet now have a collector's item which will increase in value overnight.

OPEN PAC hours should have read 9.30 a.m. to 12.30 p.m.

PAC THINK DEPT. Be a Captive of CHRIST -----not Satan.

When Roland Hill was going down a country road he saw a number of pigs following a man. This so excited his curiosity that he decided to follow and see what would happen. Down the road they went, when to his great surprise they all turned into the gate of the slaughter house. Going up to the man leading the pigs he said, "My friend, how did you get the pigs to follow you here to this place?"

"Oh that was easy." he replied, "I carry a basket of beans under my arm, and every few steps I drop one as I came along just to keep the pigs close by my heels -- there is no trouble in getting them to follow me then." "Isn't that just like Satan." thought Rowland Hill. He has the beans of pleasure, lust, pride passion, folly and sine -- innumerable and unnameable -- in his basket, which he drops as he goes along, and what multitudes he tricks into following him to an everlasting slaughterhouse from which there is no escape. Be alert, be watchful, do not be led captive by him who goes about as a roaring lion seeking whom he may devour. 1Peter, 5 v 8.

PAC SPORTS DEPT. During Camp Activities and Free time periods the Sports store will be open for the issue of Archery, Baseball, Cricket and Gymnastic equipment for use under the supervision of an Officer and for Volley balls, Soccer balls, Quoits and Draughts and Chess sets to anyone wishing to borrow the same. Please note: all items must be returned to the store at least no later than the first dinner call after the time of issue.

PAC SIT VAC DEPT. And here we were thinking there is a problem of unemployment in Australia yet we've had not one reply to our Ad for a cartoonist. I am now authorised by the management to offer double time every other day to the successful applicant.

PAC MET DEPT. In response to requests from 5 Coy. we have secured the services of that noted authority on world weather, Prof Ann T. Cyclone. Having consulted the synoptic charts, the satellite cloud shots and the met balloon monitor, she reports that the weather we are having is being influenced by a high pressure centre way out in the Indian ocean and a couple of Lows near Antarctica. Prof. Cyclone is reasonably confident, that provided there is no change, we can expect the weather to remain the same for the best part of some time.

PAC PARALLEL DEPT. Just in case you have not seen the colourful poster in the window of the sports store, and even if you have:

COME TO NEW ZEALAND AT THE END OF THIS YEAR.

"INTERNATIONAL CAMP MARLBOROUGH" Dec 30th. 1978
to Jan 8th. 1979.

Ten days in sunny Marlborough, at the top of the South Island.
Overseas contingents welcome. 1000 campers expected.

If you are interested and may be a starter then see
Mr. Gordon Lee, tent 19, Camp coy. No. 3.

PAC SECURITY. We hear that certain top brass carried out a check on the efficiency of our security boys the other night.

An escape was reported of air from the O.C. of No.3 Company's bed.

We don't know how related the two incidents were, but we know our security boys were really on the ball, when a young lass backed her car into the ditch outside the front entrance.

PAC BUGLE CALLS.

Where ever you are when the bugle sounds Reveille (6am) or Retreat (sundown), stop what you are doing, & face the direction the bugle call is coming from, standing at attention. Salute if in full uniform.

PAC LOST PROPERTY

Are you in the habit of leaving your gear behind after an activity? Members of No. 6 Company are learning to pick up things after them now. Each meal time, fines have been paid to redeem items of lost property. Five cents for a first offence 10c if the offending item returns a second time. A 10c fine is also incurred if the offending article fails to have the owner's name attached. Any items not claimed may be auctioned to the highest bidder. The best bid so far is \$1.08 for a coloured tea towel. However, its all in a good cause, as all fines collected go to a special Pacific Extension Fund collection.

LOST & FOUND - - - -

For the early birds after the New Year's Eve Concert, the area yielded pickings of \$1.61 in odd small coins. The amount has been added to No. 6 Company's Pacific Extension Fund Box.. The Company looks forward to members being equally generous at our next camp concert

Admin also reports that it has unlimited quantities of Lost Property mounting up, particularly thongs in all sizes. Also included is a lens cover for a Rollei Camera picked up after the New Year's Eve Concert.

PAC HYGIENE

The hygiene section stresses the need for greater attention to cleanliness in boys toilets, particularly in the cubicles. If these are being used as urinals, please raise the plastic seat first.

Camp cleanliness, ESPECIALLY in regard to drink cans and broken flash bulbs, has already been stressed and the dangers are apparent.

PAC - 'GRATS'

Bruce Garlic: (Company 5) had his 14th birthday yesterday. He also has a few other achievements to his credit viz.

- x split his dacks jumping off the ruins at Eucla on the way to camp.
- x wore out another pair sliding down Wave Rock
- x and at Camp, hit the Camp C.O. on the head with a Volley Ball.

PAC CHALLENGE

Company 5 issues a challenge to any other takers to a Buck Buck competition - see Trevor Amies (tent 5/1) for further details and arranging a challenge match.

PAC LOOK FIRST

It has been reported that a few boys, either in a dream or blissfully unaware that there are lady officers in the camp, have been wandering into the ladies toilets with embarrassing results. To save red faces fellas', see you read the sign first.

PAC CANTEEN

Now that the laundry is also becoming a necessary spot to visit, (see PAC GUIDE for directions if you haven't already been there) the canteen is offering a special this week of " COLD POWER " washing powder at 12 cents per cupful. Please bring your own cup.

While there, don't forget to have a look at some gift lines to take back to Mum & Dad before spending all your spending money on Coke.

PAC SHOT DEPT.

We hope the words of His Excellency and the commands by contingent commanders etc. at the opening ceremony will not be drowned out by the camera shutters of the Officers who find it necessary to be off the parade.

Executive BOO-BOO

Doc. Gooderick presents the bald facts :-

" Why was I allocated to Eyre Company ? "

" The least the Executive can do is to give me one of their bigwigs ! "

PAC PLEA

It is encouraging to see that items are coming in for PAC PRINT - - - - remember that the camp newspaper is what YOU MAKE IT so keep the items coming in. You can leave them at Admin or at the Sports Equipment Office, opposite the Canteen

VOLUME 6, No 3.

PAC THINK Dept.

Robert McAffee Brown, an American Professor, tells of something which the story of the Raising of Lazarus did for him.

He was an American Army Chaplain, and he was on a troopship in which 1500 marines were returning from Japan to America for discharge. Greatly to his surprise he was approached by a small group to do Bible Study with them. He leapt at the opportunity. Near the end of the voyage they were studying this story. After they had studied it a marine came to him.

"Everything in that Chapter," he said, "is pointing to me." He went on to say that he had been in hell for the past six months. He had gone straight into the Marines from College. He had been bored with life; and he had gone out and got into trouble, bad trouble. Nobody knew about it - but God knew about it. He felt guilty; he felt his life was ruined; he felt he could never face his parents again, although they need never know; he felt he had killed himself and he was a dead man. "And" said this young Marine, "after reading this chapter I have come alive again." He said "I know that this resurrection Jesus was talking about is real HERE and NOW, for He has raised me from death to life."

The lad's troubles were not finished; but in his sin and his sense of guilt he had found Jesus as the resurrection and the life.

PAC CHESS

The giant chess set in the camp was made and loaned to the camp by boys of the 26th.W.A.(Bellevue) Company. It was constructed as a company project under the supervision of W/O Oliver. All boys in the company had some part in its construction, which was carried out during the last session of the year.

It would be appreciated if you would treat the set with respect and not use as seats.

PAC FIRST AID

With the first three days of camp now over, 1% of its members have already had a visit to the doctor. First Aid Section reports that it has had 144 callers, though fortunately for minor complaints. Main problem spots appear to be from the assault course and over exertion. The doc' suggests doing warming up exercises before attempting the assault course would be wise. While the weather is hot and sunny, make sure to drink plenty of water and watch out for sunburn.

If you have any medical problems, then don't fail to join the 7.a.m. sick parade.

PAC CANTEEN

For those wishing to keep up with the daily news, including hopefully, items on the P.A.Camp, the canteen has daily newspapers for sale.

Please note that the canteen hours are:

8.00 a.m. to 11.30 a.m.

2.00 a.m. to 5.00 p.m.

7.30 p.m. to 9.30 p.m.

ITEMS FOR "PACPRINT" TO THE SPORTS EQUIPMENT OFFICE PLEASE.

PAC STATS DEPT.

We know that there is a water shortage but 4800 cans of cool drink in the first two days !!! That's almost verging on the ridiculous - some of you fellows must be bathing in it ! Can't get the asses milk these days I suppose.

After checking our contingent strength figures we find that the Taswegians have 73 in camp. This gives them a lead of 1 over the Queenslanders and makes theirs the third largest contingent present. (Unless more banana benders are found)

PAC CANTEENWE AIM TO PLEASE DEPT.

Our friendly canteen manager advises :-

- 1 He will try to get things they haven't got. ASK.
- 2 Newspapers are obtainable in the Canteen - local papers that is - not obscure publications like the Blacktown Advertiser or the Sydney Morning Herald etc.
- 3 That he will give a prize to the boy guessing most closely the number of cans of cool drink sold during the whole camp. Your entry should be lodged with the canteen manager and not PACPRINT. On the piece of paper that contains your estimate, place your name and camp number. Only one entry per camper is permitted. Information so far - 4800 cans in 3 days.

PAC ADS DEPT.

A shop called Walkabout Souvenirs of London Court in Perth are extending a 10% discount on all purchases made by campers wearing their green camp shirts. We suggest that you check them out during your " Discover Perth " tour but don't forget your camp souvenir shop.

PAC MET DEPT.

Following yesterday's accurate weather forecast, Professor Ann T Cyclone, (Flushed with success), reports that there are now two lows on the East coast of Australia but these are unlikely to upset her previous forecast since they will be well and truly offset by the highs in the spirits of a large number of parents enjoying a wonderful rest at this time $290 + 72 = \dots\dots\dots$. Anyway my Uncle Percy's corns, which always play up at the approach of rain, have given him no trouble for a few weeks now, ever since he had a motor accident in which he lost both legs.

PAC BOOKSTALL

Did you know that Scripture Union has opened a branch in our camp. They are located in the Literature Evangelists room near Admin. The room is open from 2.00 p.m. to 9.00 p.m. from Tuesday the 3rd thru to Saturday the 7th and then finally on Monday the 9th. The city shop of Scripture Union is located at 6 Sherwood Court, Perth.

Out at camp here a wide range of books is available. The areas covered include Christian Living, Biographies and Novels, Study and Resource Books and Music as well as comics, posters, patches and stickers.

If the book you are interested in isn't on the bookstall, ask bookstall personnel about the possibility of getting it out to the camp for you.

PAC DIRECTOR SPEAKS ! How very priveleged we were today to witness the opening of this 6th. P.A.C. in such a very spectacular way.

The whole thing was all that one could wish for and certainly all that the camp planning committee planned for.

May I take this opportunity of thanking each one of you who took part in the parade for a job well done. To those people responsible for staging the opening, the very sincere thanks of all of us are extended.

We hope that the official photographs will be available in a few days, that they will fully cover the days events and that you will find them a worthwhile buy to remind you of an excellent event. Details of their availability will be passed to you through the Companies.

We have been advised that the coverage on the T.V. through channel 2 was very good and we hope to obtain a copy of this film as soon as possible. When the Camp film is completed and edited it may even be possible to include run from the A.B.C.

May I again take this opportunity to wish you all a very happy camp. Even now there is that air of well being throughout the camp that augurs well, and our prayer is that you will enter fully into every activity in such a way that will enable you to get the most out of this wonderful experience.

PAC RECIPE DEPT. Camp Coy. No.3 want to wish all other Coys. a Happy New Year and to pass on their recipe for a very happy camp;--

No sickness-----Not Allowed,

No Injuries-----Not Allowed,

No Growls-----Not Allowed,

No Arguments-----Not Allowed,

Plenty of Smiles, Respect for others and A Warm Healthy Fellowship being enjoyed by every Boy and Officer in the Coy.

Use the recipe and enjoy the results !

PAC SMILE DEPT. Some Brigaders are very astute, sly, cunning, perceptive, smart, sharp et. et. Like the camper who'd been reading a bit more of the Bible than that referred to in the Quiet time notes. " I've been reading some of the exploits of the children of Israel " he said, " How they crossed the Red sea, wandered in the desert for forty years, crossed the river Jordan, built the Temple etc. It strikes me it must have been the same then as in a PAC, the adults never did anything!

PAC THINK DEPT. " Iam the light of the world. He that followeth me shall not walk in darkness but shall have the light of life." John 8;12.

This must have been a most startling statement coming from a humble man, from an obscure village, in a despised country, as he stands up and says " I am the light of the world."

The chapter indicates that it was early in the morning when our Lord came into the Temple, and as he stood there no doubt the light of the sun came streaming in from the East through the windows and the last traces of the darkness of night disappeared. And Jesus says in effect, " this too is my mission ! " " I have come to dispel darkness. " I Am The Light Of The World. He That Followeth me shall not walk in darkness but shall have the light if life." Light is a beautiful symbol because a ray of light is the cleanest and purest thing and Christ Jesus is indeed this.

PAC PARENTS SPECIAL. Now is the time to pack up the furniture, call the removalist, and don't leave a forwarding address. Only once in every three years do parents get the opportunity to PAC up their troubles and an Air-ways bag, and SMILE ! SMILE !! SMILE !!!

PAC MET DEPT. Prof. Ann T. Cyclone, our weather expert, reports that in her opinion provided the weather remains the same she can see no chance of a change in the next few days. However she does consider that if the mercury rises any further there is every chance that it will be warmer. Her message then contains something which is a bit difficult to understand and she was not available for clarification. She says something about a Doctor from Fremantle possibly making things a little cooler.

PAC NEWS. When is a bus not a bus ?..... When it's a coach ! Just ask the boys from Sanberra, Wagga Wagga and Leeton who travelled some 4000 km. in one. Any person referring to the coach as a bus received a 2c fine. The proceeds of this over the journey, together with the fines for sundry other misdemeanours gave a grand total of over \$13. To be donated to The Royal Flying Doctor Service. They figured that an emergency on the trip over may well entail a call on the services why not something to help that worthy cause. (Better watch it lads and not spend all your money in camp. You may need some for fines on the way home.) The fellows also want to make public acknowledgement of the job their coach Captain, Ron Hanley did. After having had diagnosed a possible fracture of the foot he carried on driving. We're very happy to report that a more detailed examination reveals the foot is not fractured, only, and I use that word with considerable doubt as to its appropriateness, badly bruised.

PAC BOOKSTALL (SCRIPTURE UNION.) Have you read " Miracle on the River Kwai " (2.25) ? Ernest Gordon was one of the many British soldiers captured by the Japanese and used by them to build the Burma/ Siam railway and the well known bridge over the river Kwai. The conditions under which these men worked and lived were appalling but amidst the horror Christian hope and love triumphed. Make sure you read this enthralling book.!

PAC NEWS FLASH !!! " HYBRID MARTIANS INVADE ROTTNEST !"

Rottneest Is. Sat 31 Dec. 1978. It was reported today by our usually unreliable sources that what were believed to be hybrid Martians, expelled from their own planet because of their yellow heads, had invaded the Island in at least two Coy. strength. Their intentions did not become clear since they seemed to swarm over the whole island but it is thought they may have been looking for a place to settle. The local population was very relieved when they left but disturbing rumours are rife that they may return and the Island's defenders, who don't happen to be on leave at this time have been placed on a full red alert. There is even talk of asking the Governor to issue arms to the quokkas.

PAC SOUVENIR SHOP. If you haven't seen the huge range of souvenirs, crested spoons at \$2.15, cloth badges, including 6 PAC badges from 20c, S.S. knife/fork/spoon sets at 95 ¢, then where have you been ? They're all there in your PAC Souvenir Shop.

PAC TOP DEPT. 28th. W.S. (MT TOM PRICE) are claiming a record with their 50% of Coy. strength in camp. Any disclaimers ??

PAC SHOT DEPT. Is it true that a certain Coy. O.C. is barred from taking a shower for five days since he used up five days ration of shower water washing his hair ? (Editor's note; on hearing the above the People Sniffer has applied for five days special leave.)

Prophetic Bugler 1..... We wondered why the word warning was used instead of call at the time of the second dinner call for breakfast the other day. Then we went in to breakfast and found out. Thanks for the tip Bugler !

PAC GRATS DEPT. Royalty could not have wished for a better anniversary celebration than Security Officer Vince Staggard and his wife Joy from 10th Tas. Claremont, received from Coy. 6 on Tues. morning. The table was decorated with roses, a souvenir tablecloth was presented and Joy received a kiss from one of her Claremont admirers.

PAC FURTHER GRATS DEPT.PAC CAMPER DECORATED !!!!!

Bruce Garlick of No. 5 Company, who celebrated a birthday recently was suitably decorated by some members of his company in a special little ceremony which was performed in front of a cheering and enthusiastic crowd.

He received :- - - A moustache, sideburns and embellishments to the eyebrows together with lavish Brylcreeming of the hair.

PAC EAR DEPT.

Heard at Rottnest Island by our special correspondent Jolyst.

" You should have seen the chick I saw ! " - - - - " Yer! what was she like " a vivid description followed

" Hmm! not bad but did you see the two nude chicks on the beach ?! "

" No what were they like ? "

another vivid and lurid description started but interrupted by

" How old were they " - - - - - Oh! ABOUT 4 or 5 ! "

PAC SHIRT SAGA

Is the oldest PAC shirt in camp the 3PAC one in No. 6 Company ?

PAC ON THE BUGLE, OR DON'T LET IT HAPPEN TO YOU DEPT.

Be warned ! We have an experienced " people sniffer " in camp ! Any boy failing the "sniff " test is quite likely to find himself forcibly taken to the showers along with a suitable amount of sandsoap or trusol or Ajax and some steel wool. In view of the water shortage it may be necessary to use these dry unless perhaps some dishwashing water is available.

MAKE SURE THAT YOU PASS THE " SNIFF TEST "

PAC GAUNTLET DEPT.

No. 4 Company Officers reckon that they can beat the Officers of any other camp Coy. at volley ball. Any takers ?? See O.C. Coy. 4.

5 Coy haven't had any response to their Buck-Buck challenge. Surely they're not going to be able to call themselves the champs without a struggle?

PAC EAR DEPT. Abseiling is easy. It must be that Skipper of No. 3 Coy. did it and he's an old man!

Understand a certain S/Sgt on route to 6 PAC called on all travelling with him to observe the giant Emu which was running along with their vehicle. It turned out the Emu was an out-back letter box. Same chap observed after a couple of days of travel that a caravan behind was travelling at the same speed as their vehicle. Not surprising really since it was being towed by their car. Same chap again was heard to remark that he wasn't much good at being a person just a Staff Sergeant.

Another victim of the Nullarbor Cafard, regarding a very squashed wombat observed that the animal was dead..

A 'green -shirt discovering Perth and walking under every sprinkler in sight on the treeless plain to lunch rendezvous asked " Is there a poc l around here Sir ?

PAC VITAL QUESTIONS DEPT. " How good is our security ? " It is understood that three of our prisoners, campers made good an escape attempt by riding on the lee side of the garbage truck through the main gate. Fearing reprisals against their families repenting of their errors they voluntarily surrendered to the guards security people immediately.

PAC TIPS DEPT. 8th. N.S.W. (Bankstown) found a way to beat the high cost of PAC-ing. Buying oranges and apples in bulk fortnightly from the market and bagging in small quantities for delivery direct to regular customers at a less than retail cost enabled them to raise \$ 1200 to pay the camp fees for the 8 boys and 2 Officers they have in camp.

The 8th. would like to pay public tribute to one of their most enthusiastic supporters, almost blind, 86 year old Salvation Army lady Mrs. Mucklow who acted as their agent, taking orders in one of the Senior Citizens villages. She went to be with her Lord the day before they left .

PAC TIPS DEPT ~~Watch out for the...~~ as 'Dizzy Dennis' and 'Pentapaca Stow' ~~also known as...~~ Graham. These fellows have a penchant for air beds, either to assist away, whether you are in ~~it~~ hot, or to deflate. They also dream up all sorts of other stirry things and doings. Beware It Could Happen to ~~you~~.

PAC SHIRT SAGA Not truly a 'camp' shirt but the O.C. Camp Coy No. 3's highly decorated 'Boys shirt blue' began with the 2nd PAC in Qld. All badges on it were swapped, bought etc. at previous PACs only. Any Company in camp not as yet represented on the shirt is invited to contribute their Coy. title. O.C. 3 Coy is also approachable for swaps or buy of other camp or battalion badges.

PAC EAR DEPT Heard whispered that a certain person, occasionally referred to as Pentapaca Stow, drove up to the main gate in a station wagon, accompanied by a number of ladies, young and not so young. Upon being requested to show his pass he handed the 'sentry' a card of Schrader valve cores and drove off amid peals of maniacal laughter.

PAC WARN DEPT Watch out for the ants! Some of them bite like they'll never get such an opportunity again.

PAC FIRST DEPT O.C. 3 Coy-first O.C. off the abseiling tower.

PAC CO-OPCO! Chess players please deposit your rubbish in the nearby bins.

PAC DRILL DEPT We have heard that the Boys from 10th Sth Aust Flinders Park want to challenge the Singaporeans to a Drill Comp.

PAC EAR DEPT Shades of Tasmania! and the cheese and vegemite sandwiches. Complaining he didn't like the gherkin in the cheese and gherkin roll one camper was asked by his Coy. catering Officer what he had done with the gherkin. "Oh! I threw it down on the sand. It must have been bad, even the seagulls wouldn't touch it."

C SEATS For anyone interested in a different return trip to the East coast after camp there are a limited number of vacant seats on the 121st S.W. Gosford's 'Sunliner' coach. After camp the coach will be travelling a Cape Leewin and Albany on route to Sydney (possibly via the Snowy Mtns. anyone—including the entire New Zealand contingent had a terrific time on the way over, and the return trip should be even better. If you are interested contact Mr. R. Young, tent 4, Company 6. Cost would be \$100.

C 'ITCH Speaking of New Zealanders, it is reported that a certain member of security was seen in the middle of the Nullabor dressed in a nightshirt trying to hitch a ride. It is hoped he was successful in getting a lift at a shop to buy some more suitable clothing.

PAC BOOKSTALL (SCRIPTURE UNION)

Have you read 'GET MOVING' (\$2.60)? It's full of helpful advice on living the Christian life. Paul White of Jungle Doctor fame, covers topics like repentance prayer, guidance and the occult - to name a few. All this spiced with that well-known Jungle Doctor humour. If you're a Jungle Doctor fan look out also for - JUNGLE DOCTOR STORIES (\$1.65), Jungle Doctor Fables (\$1.30) and Alias Jungle Doctor (\$4.95) - Paul White's autobiography.

PAC WHO'S WHO DEPT No. 1 - The Camp C.O. - Mr. Grant Taylor.

A 45 year old economist employed the the Australian Government Department of Transport and responsible for advice to the Minister on matters concerning the Australian National Railways. Mr. Taylor is fortunate in that railways is both his work and his hobby - the latter along with classical music. He has been a member of the Army Reserve for 27 years and presently holds the rank of Lieutenant Colonel in the Royal Australian Corps of Transport. Brought up in a Christian home, Grant was converted at the age of about 13 but dates his first real Christian experience from the time when he was 13 and baptised. He is an active worker in the Baptist Church circles in Canberra where he now lives and has been associated with The Boys' Brigade since 1970.

PAC EAR DEPT We 'ear there's to be a

change in the bugler featuring in the daily 'guess what the tune is' sessions. Our informant claims the new one will be the 'Boogie Woogie Bugle Blower from Coy. 5. (Hope he's not performing on the Elcho-horn - better known as the didgeridoo).

Coy. 1's world series cricket fiasco test started yesterday. Officers scored 71 runs for the loss of 11 wickets. When chow call stopped play, the boys were 10 for 2. It'd be wonderful if someone

got signed up by that PAC character.

'Security Joe' in Coy 5 was the recipient of special attention the other day when prior to the 6 am shift fellow guardaman treated him, at least to a shower, if not breakfast in bed. Saved one effort of walking to the shower.

PAC POST DEPT. ATTENTION ALL PHILATELISTS. (Stamp collectors to you dummy)

The Camp Post Office, please note the opening times, 9 to 11.30 on Thursday Friday Monday and Tuesday, have a good selection of specials for stamp collectors including the following:-

PAC First day covers, 12 c plus your 18c postage stamp.

Current Australian souvenir stamp sets at 46c, 70c, \$1.60, and \$2.80.

In addition there is a very good buy for anyone who would like to start in the hobby. It comprises a stamp album plus a bag of assorted stamps and costs \$1.95. Perhaps you've a brother or sister who may like some for a gift.

PAC TIPS DEPT. More of the 'How the west was won' saga. 178th. N.S.W. (Castle Hill) with 16 Boys and 3 Officers in camp have been raising money for the past 2 years to help combat the high cost of PAC-ing.

Selling Blankets..\$300., Delivering Stuffers (Real Estate) \$ 500.

Delivering Telephone books... \$ 800. Selling Shrubs..\$ 600.

Proceeds from 2 B.B. Weeks.. \$ 800. Raising a total of more than \$150 for each Officer and Boy attending. (These capitalists were able to afford to come by air from Sydney...and thats more than a twopenny bus ride these days.)

High Temperature plus poor hygiene = disease. If you doubt it, have a look sometime at the old grave stones in our cemeterys. Carelessness now could result in the spread of infection and the possible closure of the camp if an epidemic strikes. Toilets are not the places to paddle around in, particularly in bare feet and more particularly still if the next stop is your sleeping bag. If you or anyone around you has a case of the runs, trots, call them what you will, make sure you report it and get some timely treatment. THE HEALTH YOU SAVE MAY BE YOUR OWN.

PAC JUBILEE MEN. The celebration of the Queen's Silver Jubilee and the imminence, if the Lord tarries, of our Centenary draws attention to the matter of years and service etc. There are at least two members in camp who were in B.B. in the Brigade's Golden Jubilee year, 1933. Mr. John Gowman, the Camp Adjutant who joined in 1933 and the humble co-editor of this unworthy publication, Mr Ken Rawnsley who joined in 1932. Are there any others ?

PAC THINK. In the book of Deuteronomy, Moses passes on a warning from God to the Israelites. In effect he tells them that if they disobey then He will bring another nation against them, as swift as Eagles, who will destroy their cities and their fortified high places, desolate their country and scatter their people over the face of the earth.

God must have been sure He would have to keep the promise for He made another through the prophet Ezekiel to the effect that He would gather the people from the nations of the earth where they had become scattered and re-establish them in the land He had given their forefathers. (Some people believe this was fulfilled in an earlier return from exile but Ezekiel mentions specifically the "end times or latter days" and there is ample evidence to persuade us that the times we are living in are the latter days.)

Two things about these are very exciting. Firstly; the first has been fulfilled and, second; the second is being fulfilled right now in our present time. Both in every detail as foretold those hundreds of years ago.

The Romans, who were able to move with prodigious speed on foot over long distances and whose emblem was the Eagle, following the revolt in 68 A.D. systematically reduced to rubble the cities and towns of Israel, laid waste the country-side and removed the people, the young men to fight in the Empires arenas against wild animals or gladiators, the older men to work in the mines and the woman and children to be sold on the slave markets from whence they were scattered over the then known world.

Between the world wars the Jews commenced to return to Palestine and after the second the trickle grew to a torrent. In 1948 the modern state of Israel was proclaimed. Israel has survived four wars with the Arab states against numerical odds of never less than 10-1 and in many cases as much as 15-1 or more. Their enemies' equipment has always been more modern. By all normal military assessments they should have been defeated. WHY HAVE THEY WON ??? See if you can find the passages in Deuteronomy and Ezekiel referring to these events and read the other things which are foretold for Israel and her neighbours.

Errata. Our first issue was labelled Vol 6 No. 5 - this should have read Vol.6 No.1. All who have received an incorrectly numbered sheet now have a collector's item which will increase in value overnight.

OPEN PAC hours should have read 9.30 a.m. to 12.30 p.m.

PAC THINK DEPT. Be a Captive of CHRIST -----not Satan.

When Roland Hill was going down a country road he saw a number of pigs following a man. This so excited his curiosity that he decided to follow and see what would happen. Down the road they went, when to his great surprise they all turned into the gate of the slaughter house. Going up to the man leading the pigs he said, "My friend, how did you get the pigs to follow you here to this place?"

"Oh that was easy." he replied, "I carry a basket of beans under my arm and every few steps I drop one as I came along just to keep the pigs close by my heels -- there is no trouble in getting them to follow me then." "Isn't that just like Satan." thought Rowland Hill. He has the beans of pleasure, lust, pride passion, folly and sins -- innumerable and unnameable -- in his basket, which he drops as he goes along, and what multitudes he tricks into following him to an everlasting slaughterhouse from which there is no escape. Be alert, be watchful, do not be led captive by him who goes about as a roaring lion seeking whom he may devour. 1Peter, 5 v 8.

PAC SPORTS DEPT. During Camp Activities and Free time periods the Sports store will be open for the issue of Archery, Baseball, Cricket and Gymnastic equipment for use under the supervision of an Officer and for Volley balls, Soccer balls, Quoits and Draughts and Chess sets to anyone wishing to borrow the same. Please note! all items must be returned to the store at least no later than the first dinner call after the time of issue.

PAC SIT VAC DEPT. And here we were thinking there is a problem of unemployment in Australia yet we've had not one reply to our Ad for a cartoonist. I am now authorised by the management to offer double time every other day to the successful applicant.

PAC MET DEPT. In response to requests from 5 Coy, we have secured the services of that noted authority on world weather, Prof Ann T. Cyclone. Having consulted the synoptic charts, the satellite cloud shots and the met balloon monitor, she reports that the weather we are having is being influenced by a high pressure centre way out in the Indian ocean and a couple of Lows near Antarctica. Prof. Cyclone is reasonably confident, that provided there is no change, we can expect the weather to remain the same for the best part of some time.

PAC PARALLEL DEPT. Just in case you have not seen the colourful poster in the window of the sports store, and even if you have.

COME TO NEW ZEALAND AT THE END OF THIS YEAR.

"INTERNATIONAL CAMP MARLBOROUGH" Dec 30th. 1978

to Jan 8th. 1979.

Ten days in sunny Marlborough, at the top of the South Island. Overseas contingents welcome. 1000 campers expected.

If you are interested and may be a starter then see

Mr. Gordon Lee, tent 19, Camp coy. No. 3.

PAC SECURITY. We hear that certain top brass carried out a check on the efficiency of our security boys the other night.

An escape was reported of air from the O.C. of No.3 Company's bed.

We don't know how related the two incidents were, but we know our security boys were really on the ball, when a young lass backed her car into the ditch outside the front entrance.

PAC BUGLE CALLS.

Where ever you are when the bugle sounds Reveille (6am) or Retreat (sundown), stop what you are doing, & face the direction the bugle call is coming from, standing at attention. Salute if in full uniform.

PAC LOST PROPERTY

Are you in the habit of leaving your gear behind after an activity ? Members of No. 6 Company are learning to pick up things after them now. Each meal time, fines have been paid to redeem items of lost property. Five cents for a first offence 10¢ if the offending item returns a second time. A 10¢ fine is also incurred if the offending article fails to have the owner's name attached. Any items not claimed may be auctioned to the highest bidder. The best bid so far is \$1.08 for a coloured tea towel. However, its all in a good cause, as all fines collected go to a special Pacific Extension Fund collection.

LOST & FUND - - - -

For the early birds after the New Year's Eve Concert, the area yielded pickings of \$1.61 in odd small coins. The amount has been added to No. 6 Company's Pacific Extension Fund Box.. The Company looks forward to members being equally generous at our next camp concert

Admin also reports that it has unlimited quantities of Lost Property mounting up, particularly thongs in all sizes. Also included is a lens cover for a Rollei Camera picked up after the New Year's Eve Concert.

PAC HYGIENE

The hygiene section stresses the need for greater attention to cleanliness in boys toilets, particularly in the cubicles. If these are being used as urinals, please raise the plastic seat first.

Camp cleanliness, ESPECIALLY in regard to drink cans and broken flash bulbs, has already been stressed and the dangers are apparent.

PAC - 'GRATS'

Bruce Garlick (Company 5) had his 14th birthday yesterday. He also has a few other achievements to his credit viz.

- x split his dacks jumping off the ruins at Eucla on the way to camp.
- x wore out another pair sliding down Wave Rock
- x and at Camp, hit the Camp C.O. on the head with a Volley Ball.

PAC CHALLENGE

Company 5 issues a challenge to any other takers to a Buck Buck competition - see Trevor Amies (tent 5/1) for further details and arranging a challenge match.

PAC LOOK FIRST

It has been reported that a few boys, either in a dream or blissfully unaware that there are lady officers in the camp, have been wandering into the ladies toilets with embarrassing results. To save red faces fellas', see you read the sign first.

PAC CANTEEN

Now that the laundry is also becoming a necessary spot to visit, (see PAC GUIDE for directions if you haven't already been there) the canteen is offering a special this week of " COLD POWER " washing powder at 12 cents per cupful. Please bring your own cup.

While there, don't forget to have a look at some gift lines to take back to Mum & Dad before spending all your spending money on Coke.

PAC SHOT DEPT.

We hope the words of His Excellency and the commands by contingent commanders etc. at the opening ceremony will not be drowned out by the camera shutters of the Officers who find it necessary to be off the parade.

Executive BOO-BOO Doc. Gooderick presents the bald facts :-

' Why was I allocated to Eyre Company ? '

' The least the Executive can do is to give me one of their bigwigs ! '

PAC PLEA

It is encouraging to see that items are coming in for PAC PRINT - - - - remember that the camp newspaper is what YOU MAKE IT so keep the items coming in. You can leave them at Admin or at the Sports Equipment Office, opposite the Canteen

Here it is ! Your very own camp newspaper. As bad as you let it be , but , as good as you make it. The accent is on the "YOU MAKE IT." Your poems, news items, skits, jokes and snippets of information are all required urgently. Leave your items at the sports equipment office, next to the Pentapac office, for Messers. Neale and Rawnsley, co- editors.

PAC SIT VAC Dept. A vacancy exists on the Pacprint staff for a cartoonist- part-time. Regular work at irregular hours and full participation in our profit sharing scheme are available for the right person. References are not essential but the ability to draw(No not water, straws or pay !) desirable.

PAC THINK Dept. The Bible -----God's Living Word.

A French Bible society distributing Gospels at a Paris exhibition handed one to a well dressed, wealthy looking lady. She accepted it gladly, looked into it then angrily tore up the sacred pages and scattered them about the street. A poor woman coming along the same street, with a restless and sorrowful heart, saw a number of the crumpled pages which had been blown by the wind over near a doorway. She picked them up and read two or three of the sheets. Her whole mind was arrested. " I must get some more of this" she exclaimed half aloud "Wherever can such words be found? " She took the fragments to a policeman and asked him if he could tell her where to get them. He directed her to the Bible Society Depot which was close-by. Timidly she went in, the pages in her hand and asked for the book from which they came. Willing hands supplied it. Her hungry soul literally fed on God's word and before long she was " Born Anew " not of perishable seed but of imperishable, through the living and abiding word of God. The Word of the Lord abides for ever. That word is the good news which was preached to you.1-Peter 1;24 & 23.

PAC FIRST Dept. First Camp Casualty ! Andrew Abbott of no. 6 Coy is now on crutches with a sprained ankle (him not the crutches) following his assault on the assault course. Andrew dropped a bit short on the water jump. We hear that another Coy 6 fellow dropped even shorter and refused to go any further. Incidentally the course was built to plans almost identical with those used for a course recently built for the Army at Swanbourne .

PAC STATS Dept. 6 Bruncians plus 1 Malaysian plus 13 New Zealanders plus 5 Papua and New Guineans plus 11 Singaporeans plus 43 A C Territorials plus 290 New South Wales follers plus 72 Queenslanders plus 41 South Australians plus 70 Tasmanians plus 48 Victorians plus 103 West Australians =
1 SPAC.

OPEN PAC. The camp will be open to the public on Monday the 2nd. of January 1978 between the hours of 9-40 am and 12-40 pm. This will allow visitors to see the official opening ceremony which is to be performed by the Governor of W.A., Air Chief Marshal Sir Wallace Kyle GCB GBE DSO DFC at 10 am. This will be the only open day.

PAC HATS OFF Dept. Preceding Mondays official opening there will be a special presentation. The Boys' Brigade Australian President, Mr A Innes will present the Diploma for Gallant Conduct to L/Cpl Lachlan Sowden was instrumental in saving the life of a member of a boating party involved in a near-drowning incident following a sudden storm earlier in the year.

PAC SHOT Dept. Wonderful to receive the Pac Guide telling all about what to bring to camp, after you sign in at administration. Good to have the address of the camp too.

PACWARN Dept. W.A., with the best beaches in Australia (that's what they told me) is sad to report that due to freak winds and tides many of the beaches have developed dangerous patches. Shifting sandbanks, channels, rips and holes! SO? SO! When you go surf swimming;- keep within the flagged areas, observe all warning signs and instructions. If you still get into trouble, tread water, keep your head back and your face up, raise one arm indicating you need help. An old saw went " a nod is as good as a wink to a blind horse ! " just remember there'll be no back-ups on the chow line for any PAC member getting himself drowned.

PAC SMILE Dept. No doubt you heard about the Brigadier, someone said he was from Victoria, who became so proficient at crafts it only took him two days to smash a row-boat to pieces and build a raft.

Then there was that fellow from overseas who discovered that a buffalo is an animal found in the N.T. and a bison is something an Australian washes his 'ands an' face in.

PAC TIPS Dept. The Rottneest trip is a real winner. Reports to hand from the first mob over indicate the following;-

- Anti-Sunburn cream highly desirable.
- Bus tour of the island is really good value at \$0.50c. for children and \$1.00 for adults.
- Bicycles may be hired for \$1.40 for the day with a deposit of \$ 5.00, returnable when the bike is returned in good order. Apart from the tour bus and the occasional official vehicle the island is almost devoid of vehicles.
- Skin divers and snorkelers should be extremely wary of the coral as some varieties are known to be poisonous.
- The glass-bottomed boat costs \$1.50 for those under 12 and \$2.50 for those 12 and over.
- Take food to feed the Quokkas, they'll eat out of your hand.

PAC NAME We have just been advised by the University of Western Australia that the Official name given to the strange green shirted beings seen wandering Perth of late. It is YELLOWHATTUS PENTAPACUS!

PAC LOSS Coy 3 claims the record for the person who has lost the most of his belongings on this camp. We won't mention names but his initials are ROSS E.

PAC HYGIENE DEPT. Our Aim is to keep the toilets clean - - Your Aim will help.

PAC FIRST DEPT. Two Sydney boys have already paid their \$10 deposits to register for the 1980 - 81 PAC in Melbourne.

Two Officers have also made similar applications
This certainly shows that they must be enjoying the present camp.

PAC STATS DEPT. Is Tasmania a healthier place than Perth? Here, we have had 355 visits to the First Aid Post and this has involved around 250 different PAC'ers. In Devonport, there were only 270 visits over a similar period but there were half as many campers again as in Perth..

Like as before, the Assault Course is one of the major contributors with around 130 minor abrasions and a few sprains. The remainder is made up with sore throats and headaches.

13 boys and 1 Officer have been taken to hospital for treatment.
Two were admitted. Hot tip is to keep cool and drink plenty of fluids.

PENTAPAC DEPT.

First Pentapac Gold Awards were made to six boys from No. 6 Coy. on Saturday morning as well as a further 13 Silver Awards. This brings the total Silver Awards in this Company to 61.

PAC POETS DEPT. The Frying of Peter S.

Strange things happen in the noon-day sun,
to those all smeared in oil.

To City Beach, skin pale as bleach, they come from Tassie soil.
The noon-day sun has queer things done to those from
frigid clime,

Like the torrid day when the tropic ray, fried Peter S. one time.

Now Peter comes from Launceston, where the temperature is lower.
But PAC Outing to City Beach, and Peter lost his pallor.
He'd packed his trunks and all that guff,
including oil for sun, but didn't allow for old Sol's strength,
and resembled toasted bun.

Alas! the oil the sun didn't block and give a golden tan,
but acted like deep frying oil, in fish & chip shop pan.
Now Peters' got a blistered hide, he's horrible to see.
It smarts, it stings and Ooh!, it's red as red can be.

PAC DICKY BIRD. The official Camp Photographer has requested that we re-run the camp. He's discovered he had his lens cover on all the time.

The story of Charles Colson one of President Nixon's aides who
was imprisoned for his part in the Watergate conspiracy. A man whose life,

and well worth reading.

and handed in. Hats, Shirts, Thongs, Sun-glasses Towels---you name it and

Became Captain of the 2nd. Hornchurch in 1952 and came to Australia in 1961 as the Organising secretary for B.B. Australia.

The Camp Director has offered to 'Shout' a can of Coke to the first boy who tells him who these people are. Members of their home Coy. are excluded from this.

PAC RECORDS DEPT. At this stage of the camp, many boys have qualified for several sides of the Pentapac award at either Silver or Gold level. To create further interest, a special competition, separate from Pentapac, for both senior and junior will be run to set up records in the following activities:-

Assault course and Cricket Ball Throw.

To qualify in any record attempt it will be necessary to have your time or distance confirmed by 2 designated Officers. Trophies will be presented to the top boys in each activity at our grand final Concert on next Monday evening. The W.A. Orienteering Association have kindly donated 3 compasses to be presented to the boys with the 3 fastest times around the orienteering course. Remember only today and tomorrow to try!

PAC SMILE DEPT. If my Father were alive today and heard you say that he'd turn in his grave for sure!

PAC MET DEPT. Our weather expert reports that the highs and lows are in the same place as before, that there is a cold front well to our South but we've got Buckley' of feeling one bit cooler. That's what She said Dinkum! (She must have been talking to my Uncle Percy.)

PAC THINK DEPT

Read 1 Thessalonians 4.13 - 18 from the Living Bible

Following the rapture of the Church, Christ will unleash the fury of His judgments upon the earth. His own people of this age will be blessed, for they will be caught away into His presence; but all barriers to the Antichrist and his work will then be removed. God's judgements will begin to be felt upon the earth.

It is not enough to say " I believe in God ". The Bible tells us that demons also " believe and tremble ". (James 2:19) The devil himself believes in God, but he trembles because he cannot believe in Christ the redeemer for salvation. It is not enough to believe that God exists: you need to acknowledge your sin and receive Jesus Christ as your personal Saviour. He is the only one who has paid the penalty for your sin and receiving Him is the only way you can escape condemnation.

What is your relationship to the Lord Jesus Christ ? Do you know Him as the Lamb who has paid the penalty for your sin ? Or will you know Him as the Lion who will sit in judgment upon you because you have rejected Him as your personal Saviour ?

Lord, we give thanks that we do not need to wait until some future day to know the glory of your presence but can experience it during every day we live.

But we pray that in this moment of waiting and watching we shall recognise that the strength of our hope is determined by the experience of your present life within us. Teach us then how to occupy ourselves in Your service till You come, in a ministry of loving concern and help to others in Your name, Amen.

PAC PERFECT SCORE

5 Coy's O.C., Don Smith, and Catering Officer, Ralph Medbury, have both attended six PACs plus an International Camp in Hastings N.Z. 73/74.

More ' Westward Ho ' stickers are available to bona fide car drivers returning East - see Administration. ALSO ! Drivers should see Peter Scutte of Coy 6 for the car register so you know the other vehicles to watch out for and give them a wave.

Don't ask Peter how many he waved to on the way over. His car was the last one in. I SAID NOT TO ASK HIM ! ! !

PAC CHAUVINIST DEPT.

We understand that following their experience in the PAC laundry, at least 3 boys consider that ladies are useful.

(Editor's note : The ' copy ' was signed - Desperate.)

PAC POST

There are still boys writing to Mum and Dad and forgetting to include their address. Remember the right hand side of the card should be left clear for the address and stamp.

PAC BOOKSTALL (SCRIPTURE UNION).

WHO WAS JESUS ? - - - SUPERSTAR ? REVOLUTIONARY ? or GOD ? Each one of us needs to answer this question. To help in looking at it, why not read :- " THE REAL JESUS " (\$2.95) This is a picture strip presentation of what the four Gospels record about Jesus Christ and the significance of His life, death and resurrection. Then there's " More than a Carpenter " (\$2.40) Josh McDowell argued against the Christian faith and the Christians until he investigated the evidence, when he concluded that Jesus Christ Really was God in human flesh.

PAC PAT

Rangers at Yanchep National Park on hearing of the coming invasion of 700 PAC'ers are reported to have declared a " Red Alert " with all reinforcements called up to handle the situation. However PAC'ers conducted themselves in true BRIGADE style, and the Park authorities have since reported that the boy's behaviour is a credit to the Organisation. Good work chaps - - - keep it up.

PAC FAST

Overheard in the Fremantle Museum as PAC'ers were viewing an ancient skeleton. " Poor fellow, must have been trying to live on the salads of an earlier PAC.

PAC BAN

All Queensland PAC'ers are hereby advised that consequent upon their having marched through Perth on Friday the 6th of January 1978, they are therefore summonsed to appear before Mr. Justice McIntyre in the Magistrate's Court Brisbane on the 23rd day of January 1978 at 10.00 a.m. to face charges of unlawful marching - perhaps it should read awful marching.

He taught Sunday School for a couple of years then got fully involved in B.B. work and rose to the rank of Captain of the 14th N.S.W. He founded the 178th N.S.W. (Castle Hill. PAC HI ! GENE DEPT.

A bit late for advice for 6 PAC now but if you remember the lesson, the next should be easy **KEEP IT CLEAN** : yourself, your tent, your latrines, your ablutions and your camp. Additional refuse always attracts flies and flies spread disease. Razor blades on shower cubicle floors are not healthy either.

PAC ECOLOGY DEPT.

Don't follow the example of previous generations of wasters of natural resources. You are young enough to find you'll be out of them if you do. Fresh water, fit for drinking, is getting scarcer and you know all about the world energy crisis. So Don't waste water and particularly, don't waste **HOT WATER** - like shaving under the shower. ! ! !

No. 6 COMPANY CONCERN

The O.C. was Stoked - the adjutant heard a Bray of laughter and the Assault Course Officer was Miles ahead of the rest.

PAC BOOKSTALL (SCRIPTURE UNION)

TODAY IS YOUR LAST CHANCE !

To get a book from the camp bookshop, that is !

Recommended is " **RUN BABY RUN** " (\$2.90) and " **HAMMER OF THOR** " . (\$1.00) The first is the thrilling story of Nicky Cruz, key figure in the " **Cross and the Switchblade** " and the gang warfare in which he was involved until his life-changing encounter with Christ. The second, a historically based novel concerning the conflict in 6th and 7th century Britain between Christianity and the Norse religion of the gods **Wodin** and **Thor**. Also " **Number Two Album** " at \$1.45 is full of stories, activities and puzzles. Of course, we have Bibles too and if you haven't one or would like a new translation to take home, how about " **Good News** " in a paperback edition for only \$2.95.

PAC AWARD DEPT.

In a simple ceremony, the O.C. of No. 5 Company, Mr. Don Smith presented to the Assistant Sports Equipment Officer and Co-Editor of PACPRINT, Mr Ken Rawnsley, a special " **Orienteering at lead (Pb) level** " award.

The card is inscribed - " **For finding his bed every day at 3.00 p.m. and is signed by PENTAPACA STEW himself - Ken was modestly heard to say " I don't deserve it "**. You know ! the usual garbage you hear when great men get awards.

PAC STOP PRESS.

Rottnest - Sunday 8th Jan. '78 The Martians are back ! ! !

It has been reported that a second invasion by the green and yellow people has taken place. It is not yet known if they are friendly but judging by the amount of rubbish they throw around, it seems certain that their habits are very similar to our own. The local population is advised to keep calm and the military commander advises that as soon as he returns from his holiday he'll get right on to the task of ensuring that no further invasions can take place.

PAC THINK DEPT.FREEDOM - - - - - AT ANY COST.

The story is told of a captive in an Austrian prison, who with no special tool but an iron nail scratched and scraped at the granite walls and mortar of his cell night and day for twelve weary months. It was a formidable task, but spurred on by alternate hope and fear he finally broke the stonework and accomplished his ambition. It proved to be a dark blustery night and by means of a primitive rope that he had twisted from scrap materials, he swung himself over the wall and down into the shadows - - - - and was free !

What will not a man do and dare for life and liberty ?

But for Eternal Life - - - - for the blessed liberty of being the Sons of God - - - - there are no such dangers to be encountered, no hardships to be borne, no months of weary waiting. That eternal life and spiritual freedom which God is waiting to bestow upon you is ' without money and without price '. It is a free gift from God, and it is for the ' whoever believes on the Son of God '.

PAC POST

There is a certain New Zealand Warrant Officer from No. 3 Company who incidentally is involved in Pentapac and who wishes to remain anonymous, would like to issue a challenge to anyone who can better his record of 12 letters in one week, 11 of which were from the same person. (Masculine or feminine - we would like to know). Not bad going !

Editor's note ! How many did he write ? ? ?

PAC POETS DEPT.HOT LIPS WILSON

I did my best to show him how, to hold his lips just so,
I told him to be ready when I gave the signal GO !
He puckered up and closed his eyes and tried as he was told
But its hard to learn to whistle when you're only 3 years old.

PAC EVIL FOLK DEPT.

What an evil lot No. 6 Company must be ! Over \$16 in fines. Don't really know if donating this sum to the Pacific Extension Fund makes it right.

PAC GRATS (BELATED) DEPT.

To Russell Golding of the 123 rd N.S.W. (Harbord Coy) who had his 14th birthday on the Eyre Highway. Cake with candles had survived the long and arduous trip amid travellers with hungry looks but finally succumbed on the appropriate day.

PENTAPAC DEPT.

No. 5 Company is certainly harvesting the precious metals. The boy strength of this Company is 88 and up to noon on Saturday, 80 had attained their Pentapac at Silver level whilst 22 had reached the Gold standard.

No. 6 Company, their next door rivals are similarly reaping the riches. Out of a Company strength of 77 boys, 65 have their Silver whilst 26 have their Gold.

PAC ' Sprung '

What was the camp Adjutant doing conversing with a very attractive YOUNG lady with a blue blouse, on the ferry to Rottneest Island ? ? Did anyone see him on the Island during the day ! ! ! !

On that same day, our Camp Director, Mr Fred Roser did indeed find the quokkas friendly but somewhat thick. One critter could not differentiate between food and finger and took the lot in one big gulp. Fred retrieved his finger from the digestive tract of the animal and the wound is said to be healing. His advice - - Feed the natives by all means but avoid feeding yourselves to them.

PAC AU REVOIR

A MESSAGE FROM THE C.O.

The 6th Pan Australian Camp is almost over and today we leave camp to return to our homes.

What are the special memories with which we leave camp?

I am sure we are not the same people who came into the camp on the 30th December - not just in terms of suntan or the dreaded nodding disease everytime we get into a bus - we have been greatly enriched by the experience. I hope we are all deeply grateful to God for the great blessing which has been ours.

What is a Pan Australian Camp? Is it just Camp Activities, Pentapac, Devotions, Tours, Opening Parade, Camp Concerts, March through Perth? Yes it is certainly all of these but the most significant thing is surely the new friendships we have made, the fellowships we have enjoyed with the members of contingents from each of the Australian States and Territories, New Zealand, Singapore, Brunei and Malaysia. This is something which is truly lasting.

Let me extend my congratulations to all the successful boys who achieved their Gold and Silver level Pentapacs. The success of this aspect of the programme has been due to the enthusiasm with which you accepted the challenge of the scheme.

Much of the success of the camp has been due to the very hard work and long hours which the Company O.Cs and Adjutants have put in, assisted by the tent line officers. You would wish me to express appreciation for their fine efforts.

Many of you have come to a turning point in your lives and have established a new relationship with the Lord Jesus. I am sure all of us have been challenged at some points on these things which are of everlasting value. It is my prayer that every camper will continue to build on this foundation, established at 6th PAC, in the days that lie ahead.

I thank you all for the privilege that has been mine to command this camp, for the many happy memories and new friendships with so many of you which I have made.

Could I leave you with the thought which Paul gave to the people of Ephesus.

"And now I commend you to God and to His gracious word, which has power to build you up and give you your heritage among all who are dedicated to Him." (Acts 20:32)

Hope to see you all at 7th PAC

Mr. Grant Taylor.

PAC SUPERGRATS

To No.5 Company for winning the Volley Ball Grand Final (10th Brisbane) and for 100% Silver Pentapac Awards. (89 out of 89)

As a final venue has not been finalised yet however information will be forwarded to all concerned very early in 1978.

PAC THINK DEPT." TRUTH "

Throughout the ages men have sought truth. Truth which should lead to happiness and fulfilment in life. Through truth they sought to rediscover the spiritual Utopia of their existence. Few have found it. Still fewer will find it.

Truth ? " What is truth ? " asked Pontius Pilate 2000 years ago. The questing is still profound today.

Jesus said : " I am the way, the truth and the life " John 14:6
" If you obey my teaching you will know the truth and the truth will make you free. " John 8:31 & 32

Truth, then is the Lord Jesus Christ and those who have accepted Him know the love and the happiness which the truth brings. Do you want the truth ? The Lord has said : " Ask, and you will receive, seek, and you will find, knock and the door will be opened to you. " Mat. 7:7
Repent, ask, and you will receive - always.

PAC BUS DEPT.

Noticed in the car park area, 126th H.S.W. - Eastwood Company's mini bus the registration number BBA 126 .

The bus, an ex P.M.G. vehicle, was purchased from disposals for \$300, with another \$300 spent on it preparing for the trip.

As part of their fund raising activities for the camp, Eastwood boys organised an aluminium can recycling project which netted \$300. Their collection gimmick was " Each can collected takes us another 25 metres nearer to Perth. "

PAC TOURS DEPT.

PAC MET DEPT.

Our weather expert, Prof. Anne T. Cyclone, who has been thanked for the wonderful forecast that she has given us, reminds us that we have had a bit of everything except snow. Wind, rain, calm, humid, dry, cold, warm, hot, very hot were all in her forecast. We were privileged to have her expert advice and she wishes all PAC'ers the very best. (Luckily she does'nt know what a PAC a RASCALS we are.)

She regrets that she is unable to give us a forecast for our home going but her long-range forecast for 7 PAC is that we will have a wonderful time in Victoria and that we can expect the weather to be the same as in Perth but all in the one day.

THANK YOU WESTERN AUSTRALIA

Every visitor extends to the " Sandgroppers " their sincere gratitude for hospitality shown during 6 PAC.

Everything turned out to be as big and wonderful as predicted. This will match our memories as we return East.

Thank you PERTH

PAC PRINT OFFICE.

PAC WHO'S WHO DEPT There are many other people around the camp who have toiled energetically for your enjoyment. Some are listed in the Officers duties in your PACDO, others have carried on rewardless behind the scenes, arranging to borrow this or hire that or get permission to something else. Estimating how many loaves of bread we would need. How many reams of duplicating paper and how many rolls of some other paper. The large number of these very lowly but essential tasks require a large effort on the part of those shouldering the load. Their shoulders lift and they have a reward when they see your happiness, but boy, their shoulders sag when they get kicked in the face by pranksters and I'M sure you know what I mean, like litter and waste and theft and acts of vandalism. Next PAC you decide you're going to find out WHO'S WHO by asking the question yourself.

PAC CANTEEN DEPT Would you believe that more than 10,000 cans of drink were consumed during the camp? In addition over 1000 x 600ml chocolate milks and 2000 drumsticks were sold as well as the many other lines available. A big thankyou is due to our canteen staff who toiled on through all the heat, often going that little extra to keep the fridge filled, not to mention appetites. One Tasmanian likened the effort to climbing Mt Roland - a tremendous job.

PAC PRINT OMISSIONS Items missing from PACPRINT Vol 6 have included overseas contingent submissions. Almost at the end we have received some from the Singapore and Bruni contingents. We have been thrilled by every overseas member present. They pay us a compliment by involving themselves in so much expense to be with us.

The Singaporeans do have two items of note. This is the first time they have a lady officer in camp - she has not been unnoticed; and, they have representation of a Company which is in size second only to Neenah Menasha Boys' Brigade (membership around 1400) and which Company had a group with us at Devonport. 12th Singapore has 500 members.

Brunei members have been able ambassadors of the small 2264 Sultanate State they represent. They each extend their thanks for the camp and the times they have enjoyed here with us.

We wish them well and trust they carry our good wishes to their individual Companies. The Pacprint Editor looks forward to seeing you again at the 7th PAC 1980-81 in Melbourne and would look forward to receiving early copy from you so that we can get to know you better.

PAC GRATS DEPT Happy Birthday to Alan Blyth (126 NSW EASTWOOD) 14 and to Stephen Groves (178 NSW CASTLE HILL) 16 today.

PAC INFO DEPT Did you know that the designer of this year B.B. Membership Card is in camp. The member is Steve Groves of 178 NSW CASTLE HILL.

PAC ODE TO BESSIE Born, well never mind that, you don't ask a lady her age, but in her early life she worked for the Mersey Hospital then a Builder, then a Farmer, until with some persuasion she became a faithful worker and supporter of the Lt TASMANIA (DEVONPORT) COMPANY. Some years ago she had a heart transplant and some skin grafting; maybe she doesn't look much but we still love her. She went to Cairns with the Company members on their way to 4th PAC RABAUL, brought in the suppers for the 5 PAC DEVONPORT and with some attention to her circulation she -Cont over-

supported her Boys all the way over to 6 PAC and except for blowing a welsh plug when she overheated the old bus is still going strong and hopes to see everyone in 1980 in Victoria for 7 PAC.

PAC KEEP THINKING DEPT LITTLE THINGS MEAN A LOT

We found ourselves sharing these words when a B.B.Boy provided a chair for the Chaplain of his Company the other evening. Dr. Bonar says "A holy life is made up of a multitude of little things." It is little things of the hour, and not the great things of the age, that fill up a life like that of Paul & John. Little words not eloquent speeches, little deeds not miracles or battles, make the true Christian life.

The little constant sunbeam, not the lightning - the waters of Siloah 'that go softly' in their meek mission of refreshment, not the waters 'of the rivers great and many' rushing down in torrent noise and force - these are the time symbols of a holy life.

Avoidance of the little evils, the little sins, little inconsistencies little weaknesses, little follies - the avoidance of such little things as these goes far to make up at least the negative beauty of a holy life.

It may seem a little thing to commit one's life to Jesus, but He takes what we offer, and makes it great in the sight of GOD.

Yes, LITTLE THINGS MEAN A LOT
