## A DOOR OF OPPORTUNITY

The 10th Pan Australian Camp is now underway and the Australian President of The Boys' Brigade, Rev. Dr. Gordon Moyes, in his opening address to campers last night spoke vividly about the door of opportunity that faced BB members attending the Camp.

The Camp would provide experiences that equip us as we face a new decade, a new century, but it depended upon us making the most of this opportunity.

The President recounted with some humour his experience with a driveway in his home - and how by determination and faith the impossible was accomplished and challenged all by faith in Jesus to enter through the door of opportunity this Camp presents.

The address by Dr Moyes followed a request by the Camp Director, Mr Nev Ray, that all Campers avail themselves of all the facilities provided on the site. Campers were encouraged to enter into the spirit of the Camp by thinking of others and getting to know many of the people in their Camp Companies in particular.

Of humorous note at the Opening Night celebrations was the appearance of a can eating pelican which was specially brought in to encourage Campers to save their empty aluminium cans for the Pacific Regional Fellowship.

Some young Campers taking the opportunity to make new friends on the first day of Camp.

## "ODE TO WILLY'S GATE"

They came in early, some came in late,  
But all stopped in awe at Willy's Gate.  
Who could know the sweat and toil of man  
As each Camper passes under this span.  
The sign on top with palm tree, sand and sea,  
But in the years to come they'll all agree  
Us soft-handed city folk can just stand and wait  
At the magnificent welcome of Willy's Gate.

## THEME DAYS

You have all been introduced to our concept of 'Theme Days' (whether or not you were aware of it). As you registered yesterday, your yellow PAC Guide was stamped with the symbol of a handshake and the word 'Welcome'. The theme of our first day was 'Welcome' and we all hope that you entered into the spirit of that theme as you welcomed each other into the Camp.

There will be a Theme Day each day of the Camp. As you enter into the spirit of the theme you will find that you will really benefit from them. There will be a new stamp introduced for each theme and you will be able to get your PAC Guide stamped each day at the Volunteers' Tent.

Today's Theme is FRIENDSHIP. Don't take this Theme for granted by saying that you've already made some friends and don't need to do anymore. If you're a person who is quieter by nature and finds it more difficult to make friends then make a real effort today to start a new friendship. For those of you who are more out-going, you need to look out for someone who is quieter and start a friendship with them.

Friendships are going to be an important part of this Camp. They will become the part of the Camp that will continue long after the Camp is finished.

Start making these friendships today.

## THE BOOK SHOP

Come and see our spectacular range of books and gifts -

"Records to buy

Cassettes and books,

Come to the Book Shop

And see how it looks."

Welcome awaits you anytime just to browse or buy.

## HISTORICAL DISPLAY

Another first for the 10th Pan Australian Camp.

For the first time to my knowledge we have an Historical Display at a Pan Australian Camp. Come and see badges and certificates from The Boys' Brigade Scout Section which operated in Mount Morgan from 1909.

Come and see old badges, photos, certificates from the oldest BB Company in Australia - 1st Brisbane.

Many more items are on display showing the BB's long and proud history from many years ago.

**Bring A Friend!**

## THE QUEENSLAND WELCOME

Matthew Berry showing the typical friendliness which greeted Campers on Queensland Day. I guess we will know today if Matthew washed his face last night or was that permanent ink?

The Queenslanders turned out in force, some in outlandish attire to make sure that visitors from out of town felt right at home.

### **Making Opportunities**

A wise person always makes more opportunities than he finds.

## GORDY'S GOBBLE'N'GO

**FAST FRIENDLY SERVICE**  
**MEET YOUR FRIENDS AT GORDY'S**

### "WHERE EAGLES DARE!"

That would be an apt name plaque to go on the scaffold at the start of the flying fox. The scaffold is 50 feet high and is not a climb for the faint-hearted or a person (and there are a lot of people in this category) who is scared of heights.

The flying fox looks like a lot of fun until you have to take that step off the edge for the start of your 250 metre scenic escapade across the lake. Remember, bottoms up as you cross the lake as you go very close to the water.

This is an attraction on the Camp that you should not miss if you don't mind the climb up the scaffold.

If you would like to know more about the thrill of riding the flying fox ask those people that have tried it - Ian Williamson, Colin Kessells and Bill Davis.

### TOO MANY INJURIES...

Neil Berry, First Aid O.I.C. reports on a new record set for "first day injuries"... with more care most could have been avoided.

For instance mud throwing may be great fun...but if there is a rock in the mud the result isn't fun.

There has been skin lost from various places by mis-using the water slide, by running round tent lines, and silly playing - you do need all your skin.

Wearing shoes and hats will protect both ends. Remember...it does get hot in the Queensland sun...so SLIP !...SLOP SLAP.

## COCKROACHES TO SHOW OFF

So much for the Canetoads (Queenslanders), it will be the turn of the Cockroaches (our esteemed friends from New South Wales) to show off their State to Campers today.

And they certainly do have a lot to show off!

Large cities, scenic little country towns and a beautiful countryside are all features to be experienced in New South Wales.

The New South Wales or Cockroach Contingent would like to invite all Campers to visit their extensive display in the Gordy's Outpost Telecom Shade Tent. BB lads from NSW will man the stand throughout the day and everyone is asked to bring their PAC Guide when they visit the display.

The display will feature towns and activities from around those areas of NSW represented at the Camp by members of the NSW Contingent. Handouts will be available at the display and you should ask for them when you visit.

NSW will be showing full contingent participation in this event to ensure that as the largest contingent at the Camp they will make a big impact on their day.

Remember, bring your PAC Guide and listen to radio PAC FM for details about fantastic Cockroach Country (sorry! New South Wales).

(The term, "Cockroach" was first proclaimed by ex-Queensland football coach, Barry Muir,

when trying to inspire his players during a half time motivational talk.)

## ORIENTEERING

by Colin Pfeiffer, 2nd Caboolture Company

**Orienteering is a fun and active sport in which a compass and map are used to direct yourself around a planned course.**

Boys here at the Pan Australian Camp have already attempted a range of courses through the bush at the back of the Campsite. The Boys line up their compasses to find the direction that they wish to go.

**YOUR LOCAL CAMP NEWSPAPER**

It is important to find a recognisable landmark to walk towards, so that when pacing the required distance they don't lose track of where they are going. After pacing the distance, the boys search for a disc with a letter on it, then follow the next set of instructions.

From disc to disc the boys find their way, hopefully to return to the starting point.

It is important when attempting one of these courses to wear long protective clothing and good walking shoes. The Queensland bush is full of dangers from blady grass to death adders.

Orienteering skills, when developed, are very helpful for people who enjoy bushwalking and hiking.

### MUSIC IN THE AIR

Are you starting to get the idea of Theme Days yet? Each day of the Camp will be having a new theme. This theme, then, becomes the focus of that day.

Yesterday's theme was friendship! How well did you manage to focus on friendship? Did you go out of your way to make some new friends?

Today's theme is music. What a great theme for our up-and-coming musicians. Here are some ideas to help you focus on music today:

- get together in small groups and put an item together;
- try to come up with the most original musical item using original and creative instruments;
- do a mime act with background music - see who can be the most convincing mime.

These items can be put on in the stage area at Gordy's. Don't be shy! NCO's might like to get some ideas together for the NCO's Club.

Let's make a real effort today to focus on the theme of MUSIC.

### ASSAULT COURSE TIMES

Juniors 5min15sec

Seniors 4min45sec

Please note. These are the qualifying times for Pentapac.

### AN EAVESDROPPING

Question to a certain Camp Committee member - "Why are you wearing a red hat instead of the yellow one provided?"

The reply - "This is to distinguish us from the elite."

### BUSINESS IS BOOMING!

by Anthony Cutts, 25th Brisbane Company

**BIG GEORGE'S**  
**SUPER**  
**SOUVENIR SHOP**

The souvenirs are selling at a fast rate and business is very good. All souvenirs are a very reasonable price.

New Camp Crests have sold very well and less than half of them are left. Many souvenirs were sold on the first day. The Camp shirt is popular as is the printed tea towel.

You can also buy postcards to show where you have been and what you have done.

Business is running well at Gordy's. Over 2,500 soft drinks have been sold with Coca-Cola leading the way. Icecreams and chocolate bars have proved to be good weapons against the hot weather.

According to Gordy, prices are very reasonable on all stock lines.

Don't forget to put your cans in the bins provided so that they can be recycled.

## BIBLE SOCIETY BOOKSHOP

The bookshop did good business on the first day of Camp. The Shop sells all sorts of books and some stationery, including Bibles, puzzle books, novels, posters, novelty rubbers and just plain rubbers, stickers and pencils. There are all the different Bibles and parts of the Bible from the Scripture Union and the Bible Society. You can be sure that there is something for everyone.

### ACTIVITY STAMPS

These will be available each day in the Gordy's Outpost Marquee. Bring your PAC Guide along to ensure that you can receive a lasting impression and not one that will wash off in the shower. To receive a stamp you must first complete the activity.

## GORDON MOYES - A PROFILE

By Ben Kemp, 61st NSW Carlingford

**Rev Dr Gordon Moyes is a man with a mission - Wesley Central Mission, Sydney.**

As Superintendent of Australia's largest Christian welfare service, you would think he would have his hands full running this organisation with 1,260 staff in 117 centres around Australia. The Mission has an annual turnover of \$50 million, conducts 45 services a week and has facilities as diverse as a Chinese outreach fellowship and emergency care units.

But this isn't apparently enough for him. He has published over 36 books and booklets winning four national book awards in the process. Dr Moyes has hosted over 1000 television programmes including "Turnaround Australia", hosts the top rating radio talkback programme "Sunday Night Live with Gordon Moyes" and has received many awards including Member of the Order of Australia. He has lectured and preached all around Australia and in at least 20 overseas countries.

Dr Moyes has been married for 29 years and has four children. He was the Chaplain to the 1988 Calgary Olympic Team - the first ever.

On top of all that he was elected NSW BB President in 1986 and to National President in 1988. Dr Moyes was not a member of BB as a boy, although he was a Rover Scout.

He became interested in BB as he saw it as a way to advance Christ's Kingdom (a door of opportunity so to speak).

"Nothing is more powerful than dedicated men," said Dr Moyes.

"And dedicated men start with committed boys," he added.

Consider the postage stamp: its usefulness consists in the ability to stick to one thing till it gets there.

## PENTAPAC AWARD - GO FOR IT!

by Stephen Emonson, 8th Victoria, Sale

The Pentapac Award is a very special award which can only be obtained at a Pan Australian Camp. There are two levels for the badge, Gold and Silver. The Silver level can be obtained by getting three sides of the five-sided badge. A Gold badge must have five sides. As well as the metal badge you can achieve two cloth badges. The five sides include Devotions (which is compulsory for the Gold and Silver), Skills, Discover Brisbane, Assault Course, an elective and Orienteering.

**DEVOTIONS** - Devotions have to be passed if you want a Gold or Silver badge. **SILVER** - pass six days. **GOLD** - pass eight days.

**SKILLS** - The skills side is to encourage Boys to participate in activities such as, playing chess, draughts, table tennis and darts. The equipment for these is in the sports store. Archery is done at the archery area near the dam. Compass work is at the back of the school.

**DISCOVER BRISBANE** - Discover Brisbane is a great chance to explore. It gives you the chance to plan your own route around, as well as answering questions about different land marks and different places. It is rather like a foot rally where you've got to get your card stamped at different points throughout Brisbane. On the walk you take (in groups) you see such things as Parliament House, the Botanical gardens, Victoria Bridge, and more.

**ASSAULT COURSE** - The assault course is an action-packed course which takes you through the deadly swamp. Boys wanting to do the course can do so during camp activities time. The course can be done as many times as necessary and the course has to be completed in a set time.

**ELECTIVE** - Before you came to camp you probably would have picked three electives. Well, one of them goes towards your Pentapac badge. The system gives you a variety of things to choose from.

**ORIENTEERING** - The course, (which is on the camp site) is done with your Camp Company one morning.

So, the Pentapac Award is something really worth trying for. It might be your only chance of gaining a Gold.

## SERVICE DAY

**To "serve" another is a privilege indeed. Sometimes everyday we allow opportunities to "serve" to pass us by.**

Seize the opportunity today to do something for another and experience the joy of "service".

And, learn something too of the experience of accepting the "service" of others.

If we all really "serve" and be "served", we will be different, excited, bigger and better individuals by tonight. It is through "service" that real being and real Christian love occurs.

S - SEEK THE WILL OF CHRIST.

E - ENJOY THE TASK THAT HE GIVES YOU.

R - REJOICE EVEN IN DIFFICULTIES.

V - VICTORY IS SURE TO THE FAITHFUL.

I - INTERCEDE FOR EACH OTHER.

C - CHRIST WILL PROVIDE YOUR STRENGTH.

E - EVERY DAY BE HIS HUMBLE SERVANT.

## FROM THE HISTORIAN

**"A short profile of George Orr, Founding Captain of 1st Brisbane Company of The Boys' Brigade."**

George Orr joined 1st Glasgow Company as a 12 year old Boy and rose through the ranks to become the Senior Officer under the Founder, Sir William Alexander Smith, and served the Company for a number of years.

In 1912 George Orr brought his wife and family out to Australia and settled in Paddington, a suburb of Brisbane. He found work (being a plumber by trade) with the Public Works Department and attended the local Ithaca Presbyterian Church at Red Hill.

His work with the local Boys started when he commenced the 1st Brisbane Company in 1913 at his church, and modelled the Company after his beloved 1st Glasgow, and lead the Company as his old Captain would have wished. At its peak in 1926, there were 180 Boys and Officers in the Company.

George Orr lead the Company from 1913 until his death in 1929. During this period 1st Brisbane Company made a remarkable impression upon the lives of hundreds of Boys and their families and still does today.

## TOLF OR IS IT GENNIS?

by Bryan Rodrigues, 6th W.A. Armadale.

Over behind Gordy's near the huge tent masts and adjacent to that fantastic company, Elimbah, lies the best and indeed most magnificent mini-golf course to be seen ever at any P.A. Camp.

This great playing green was brought to life approximately eighteen months ago and thus it's only a baby in the huge golfing green world. The person who had the honour of making such a tremendously manicured lawn, with a well equipped five-star toilet, is probably the caretaker. This honourable person, obviously wanted the recreation which such a sport provides, to be enjoyed by young and old, whether they are of the calibre of Greg Norman or hopeless.

This very unorthodox mini golf course relies on the existence of old tennis balls. Thus being able to put Steffi Graff on a par with Peter Senior.

This gigantic course contains six holes with approximately a huge playing area of two hundred square metres. It's playing area, although, scattered with rocks and stumps, will provide no challenge whatsoever to any golfing fan. However, anyone who survives this golfing experience will consider the assault course as a "pushover".

Finally, although at times the temperature in the middle of the golfing green is well in excess of the average of the Sahara Desert, the relaxation of Golf could be enjoyed with travelling the arduous journey travelling from each golf hole to another.

### NEWS IN BRIEF

**THE THINGS YOU SEE!** - A certain member of Ngun Ngun Company found Dreamworld all too much and couldn't wait to get back to his bunk, so decided to set up bed on the cement pathway near the exit. We suggest next time he uses the lawn - It's much softer.

**HI JEAN OR IS IT HYGIENE** by Anthony Walton, 32nd Brisbane Company

What else does Rick Kirkpatrick do besides drive forklifts and empty garbage bins. He also cleans up after us.

How can we make Rick Kirkpatrick's job a little easier? We should try not to leave our clothes in the showers or the washing machines. Don't throw empty toilet rolls in the toilets.

One of Rick Kirkpatrick's biggest problems is trying not to hit Boys with the forklift when they insist on trying to be hit. What Mr. Kirkpatrick is trying to say is don't walk in front of the forklift, walk behind it.

**FIRST AID REPORT** - To keep away from Mr. Berry, our hardworking First Aid Officer, wear your shoes all the time, if not wear thongs, but never bare feet. If you are not sunburnt, then put plenty of sunscreen on, wear a shirt and a hat. Eat plenty of food and drink plenty of liquids.

Kind words are like honey - sweet to the taste and good for your health.

**LOOK AT THE NOTICEBOARD FOR THE DRAW FOR THE VOLLEYBALL** - The Competition is hotting up, so keep your eye on the draw.

**ACTIVITY STAMPS** - After each activity campers are encouraged to get their Pac Guide stamped. There are stamps for each activity and for each day. So, don't miss out!

**ATTENTION MUSICIANS** - Orchestra practice 5.00pm Saturday. Be there!

**CONGRATULATIONS N.S.W.** - Mr. Roser was the man to see at the yellow tent for information on New South Wales. He had free information for anyone who was interested. "It has attracted considerable attention", says Mr. Roser.

**CHAPLAIN'S CLATTER** - The Coonowrin Company Chaplain today, aided by his spare tyre, almost broke the sound barrier on his way down the waterslide at Dreamworld.

Upon arrival at the bottom of the slide, he was a little groggy. Well they say it is bumpy near the sound barrier. Apparently, Glen wasn't quite the same again for the rest of the day.

PAC FM has been operating since the start of the camp. It is a Christian Family radio station and started 15 years ago. The main radio station works 6 days a week for 3 hours a day. This is 4EB. This will continue until February, when they get their full time licence.

PAC FM is found on your radio on 92.1 FM. Last night they had live music broadcast especially for Music Day.

Continue to grow in the grace and knowledge of our Lord Jesus Christ.

## PRF AUCTION - DON'T MISS IT!

**By Jermaine Beru, 16th Harare Company, Zimbabwe.**

There will be two auctions on the Campsite this evening which will give you the opportunity to bid for valuable B.B. historical items. The first one starts at 7.30pm at the main marquee and will be for Boys only. The second one is for everybody and will start shortly after the first one is finished.

There will be over 200 items on auction which include badges from Africa, Britain, America, Canada, Singapore and Zimbabwe. Souvenirs from past Pan Australian Camps will also be featured.

High on the list of much sought after items will be a Royal Seal with the compliments of the King of Tonga. If you would like to know more about the Seal then sit down with Alford Dornan from New Zealand at the Gordy's Outpost sometime and let him tell you all about it.

One of the prize catches which is sure to fetch a high price at least from a Queenslander is a Camp Shirt autographed by the Queensland Sheffield Shield Team that defeated New South Wales last week.

Shirts, caps, stamps and pen knives are also expected to be high on the wanted list.

The money raised from the two auctions will go to the Pacific Regional Fellowship to help develop Boys' Brigade in the Pacific Regions.

## CRAFT DAY

The theme for today is crafts! For those Camp Companies that are fortunate enough to be in Camp today, there is a great line up of crafts to participate in. These are high quality crafts run by extremely competent crafts' people.

This will be an opportunity not to be missed to both reveal your hidden craft talents and also to make your very own souvenir of the 10th Pan Australian Camp.

The crafts that will be offered are:

. GLASS ETCHING - Marj Johnson - Video Hut  
(cost \$1.00)

. WOOD TURNING - Don Lewis - Motorbike Shed

. WOODWORK (Tower of Hanoi) - Ian Williamson - location to be announced (cost \$1.00)

. FENCE PAINTING - Peter Drennen - near the twin poles

. SILK SCREENING - Barry Farquharson - location to be announced

. WING BIRDS - Janette Evans - Video Hut

Sessions will be at 8.30am, 10.30am, 1.30pm and 3.30pm.

Of a morning we drink 240 litres of milk, and eat 1000 packets of cereal and 100 kilos of meat. The caterers in their 280m<sup>2</sup> kitchen work two shifts, eight people at a time - four cooks and four kitchen hands. The first shift works from 5-30am to 1-30pm. They prepare breakfast and lunch at camp which means cooking 100 kilos of meat, cutting 180 kilos of lunch meat. The second shift is from noon to 8-00pm, which means taking 400 cut lunches to Dreamworld and Brisbane and cooking 95 kilos of meat, 80 kilos of vegies and two 50 kilo bags of potatoes. To wrap up all statistics we eat 352 litres of Icecream a night. If there are any complaints about food (to which I have none) keep your mouth shut because the caterers are working very hard to feed us and try to please everyone - which is impossible.

## FLYING FOX VIEW OF CAMP

### VISITORS AND WORSHIP DAY

The theme we focus on today is VISITORS AND WORSHIP. Today is Sunday - a day that God has set apart to be different from the rest. We need to remember that and to be thoughtful as we reflect on God, on others and on ourselves. Worship is not just something that is a part of going to Church. It is an attitude that we have towards God - one of awe (realising how

great God is) and respect (recognition of God's position over us).

Today is also our Open Day. This will be an opportunity for your families and friends to visit our camp site. Make them feel very welcome as you show them around and participate with them in the day's activities.

YOUR LOCAL CAMP NEWSPAPER

### P.N.G. DAY

**Gut pela dei olgeta, mi amamas tru long loukim pes bilong yu.**

Today is Papua New Guinea Day also known as the highlight of the Camp. Many activities will be run today to help promote P.N.G. Day. Some of these are:

6.45p.m. P.N.G. National Anthem will be played.

All Day David Head and his family will be in the P.R.F. Display Room. Come over and talk to them about their experience and tales of their three years service through the P.R.F. in P.N.G. David will also be on P.A.C. F.M. throughout the day. P.A.C. F. M. will be broadcasting typically P.N.G. music. Whilst you're visiting the P.R.F. Room you may wish to make a donation to the P.R.F. to help with the extension of B.B. in the Pacific. Maybe you could learn to play the Conch Shell, jaws harp or the rattler.

Come on, join us and celebrate P.N.G. Day. Yu mas Cam na bung wantaim na stap hepi tru long dei bilong Papua Niugini.

Come and find out from the Heads what this Piegion English means.

Sapos yu laik kisim save tru long P.N.G. olrait ye mas cam na as kim 4 pela hets long haus international.

### N.C.O.'S CLUB

by Andrew Lilley, 5th Canberra (Ngun Ngun)

After 8.00p.m. of a night most of our N.C.O.'s disappear from sight to a place no one else ever goes. Of course, it's to the N.C.O.'s Club.

The white building near the marquee which at night turns into a square Christmas tree.

Activities which can be enjoyed by the N.C.O.'s include the latest releases on videos, a selection of board games and card games, tea and coffee, a coca-cola machine and music system.

Sunday night will be the N.C.O.'s Club big night. Not only will you find out when theme nights are going to be, such as Tropical Queensland Fruit Night and a Donut night, but also you will have a chance to meet and talk to Ron Grant who is famous for his around Australia run.

The club allows N.C.O.'s to get away from Officers and younger Boys while being able to enjoy the fun and fellowship of other N.C.O.'s from Australia and around the world. It opens from 8.00p.m. until 10.30p.m. each night.

### BADGE SWAPPING

by Brian Morgan, 3rd Mackay.

**So you have badges to swap. Come to the Gordy's outpost yellow telecom tent for biggest and best deals in B.B. badges. Anything from Battalion Badges, brooches and banners.**

Collect all of the wide variety from Australia and all over the world. An oldie to the badge swapping world is Big George of 38th Brisbane. Included in his collection are wide ranges of badges from Australia and New Zealand, and he has 65 different shoulder titles. He is one Officer to watch out for.

## LEX'S LADS

by Errol Payne, 1st Mackay (Ngun Ngun)

The big, burly Officer in charge of security is Lex Cowell of the 3rd Maryborough Company in Queensland. He is in charge of a band of Officers who valiantly patrol the camp site keeping the hooligans in and the vandals out. These Officers give a tireless and thankless effort, many of us don't even spare the time to think about. These gentlemen have many various jobs in their normal private life, ranging from Police Officers to District Supervisor for the Department of Housing and Local Government.

## RICK'S FACE OF MANY COLOURS

by Errol Payne, 1st Mackay (Ngun Ngun)

Have you ever wondered why Rick Kirkpatrick keeps applying the many various colours of zinc cream to his face? The answer is simple. First of all it is to beat the sun's harmful rays from damaging his skin. The second is that he was hoping it would help encourage more people to do the same. Let's get out there and put some zinc cream on our faces (that way Rick won't feel left out). Zinc cream is available from Gordy's Gobble 'n' Go.

Footnote: One can get sunburnt on an over-cast day just as easily as a bright sunny day.

**News

**BADGE SALE** - Victoria Badges are available for sale at the Sports Store.

**WHERE'S YOUR T-SHIRT** - Get in quick and show off your company T-shirt. The T-shirt Display is looking fantastic. Don't let your Company be the only one at Camp without their Shirt on display. Shirts can either be donated to the P.R.F. for auction or can be returned at the end of camp.

**GORDY'S DELIGHTFUL DONUTS** - Gordy's is now selling Hot Donuts. Come over and taste this mouth-watering sensation. Don't miss out, come over to Gordy's right now. Donuts - 25 cents each or 5 for \$1.00

**VOLLEYBALL** - If your Company has not played yet then you will be playing today. Check the draw on the noticeboard at Administration to see when and who you're playing. The Volleyball courts are over in the school grounds beyond the tennis courts.

Results so far: Teams who have advanced to 2nd Round - 79th N.S.W. Dapto, 146th N.S.W. Blacktown

Teams who have advanced to quarter finals - 2nd Caboolture Queensland, 2nd Pine Rivers Queensland

## GOBBLING STATS FROM GORDY'S

During the first four days at Camp Gordy's Gobble 'n' Go has proved to be the No. 1 place at camp. Can you believe that we consumed about 7,600 cans of soft drinks as well as hundreds of cartons and bottles of milk and juices in the first four days of Camp.

Red frogs, killer pythons and fruit tingles are proving to be quite popular among campers with numbers ranging from low hundreds to as many as 3,000 fruit tingles.

Gordy's not only sells foodstuffs and drinks but also sells gear for everyday use ranging from pegs right through to films for cameras.

## OPEN DAY - A WINNER

**Over 1000 people visited the 10th Pan Australian Camp to make the Open Day a spectacular success. Queensland certainly lived up to its reputation of being beautiful one day, perfect the next.**

The activities of the day started on a high note when a good number of Campers attended the Communion Service and then with their fellow State Contingent members, all Campers paraded past The Honourable Wayne Goss, Premier of Queensland. The day finished on an even higher note when many lads either made a commitment or recommitted their lives to our Lord and Saviour Jesus Christ.

### In between:

- The Premier congratulated The Boys' Brigade on its organisation of the 10th Pan Australian Camp and the work that it does for young people.

- Rev Dr Bob Wenn inspired us to be the best Christians that we could possibly be.

- Four television stations came along and saw the BB in action! - Crowds mobbed Gordy's Gobble'n'Go to taste the delights. Did you realise the 4500 donuts were sold at Gordy's during the day.

- Big George's Super Souvenir Shop opened early to please a waiting crowd.

- Lex and his fellow Security Officers were kept on their toes directing traffic.

- Dignatories from other youth organisations came along to see our Camp.

- The people mover kept the crowds moving between the Company lines and the activities.

- "What's up" kept the crowds entertained in the Gordy's Outpost.

- Many lads showed family and friends the multitude of activities on the site.

All this pales to insignificance, when you see the lives of young men and boys won for Christ. Please continue to pray for an ongoing commitment from all the Boys and Officers involved.

**ANNOUNCEMENT** - Today is a significant day for Captain Grant Taylor of the 5th Canberra Company and OC of Ngun Ngun. Mr Taylor retires from the Australian Government Service after 35 years today. Mr Taylor who has been in 5th Canberra and BB for 20 years can now devote all of his energies to his recently appointed role of BB Australian Executive Officer. Mr Taylor, we wish you and your wife a happy and long retirement and service in Boys' Brigade.

**YOUR LOCAL CAMP NEWSPAPER**

## INTERNATIONAL DAY

Members of the Zimbabwe contingent to the 10th P.A.C.

It's great to have the opportunity to focus on an **INTERNATIONAL THEME** - our theme for today.

Boys' Brigade is very much an international organisation and it is camps like this that enable us to get to know our international brothers that are a part of the world-wide Boys' Brigade. It is not often that we get the chance to be involved internationally, so make the most of this opportunity at the 10th Pan Australian Camp.

Today, as we focus on our international theme, it would be good if you could meet someone from another country. If you have already, then meet another person. You'll find that you not only broaden your mind, but will make some lasting and very worthwhile international friendships.

### FIFTY YEARS INVOLVEMENT IN BB!

By Andrew Dall, 9th Narare Company, Zimbabwe

**Mr Doug Adam's first involvement with The Boys' Brigade was in 1940 when the 2nd Brisbane Company was formed. This was the second Company in Queensland.**

Mr. Adam is therefore celebrating his 50th Anniversary with the Brigade in May this year. He was inspired in B.B. by a trip to England where he attended Eaton College.

He was the original State Secretary, and had also been the Council Secretary.

Mr. Adam was the State President for sixteen (16) years and the Australian President for four (4) years.

In 1985, Mr. Adam was Queensland's Father of the Year. He was also appointed a Member of the British Empire for services to youth.

Mr. Adam has been Chairman of the Pacific Regional Fellowship (P.R.F.), attending meetings on two or three occasions in Suva, Fiji.

Mr Doug Adam at 10th PAC

He is at present a member of the P.R.F. Executive. In 1982, he spent three months in Papua New Guinea with Mr. Alford Dornan, the P.R.F. Secretary (at that time), to discuss and assess the granting of independence to Papua New Guinea.

He attended the 2nd Pan Australian Camp at Southport, Queensland, and has attended nearly everyone since, excepting the 9th Pan Australian Camp in Adelaide 1987, because he caught influenza just before the camp.

Mr. Adam attended the Founder's Centenary Camp in 1954 - he has a cup here on camp to prove it! People who attended this camp came from all over the world and some of them had never seen trees!

### THE ORDER OF SIR WILLIAM

This Order, begun in New Zealand, is now available in Australia. It's an opportunity to give a year (or some other significant period of time) to voluntary service through the auspices of The Boys' Brigade. It is particularly available to young Officers, but is not confined to that group.

Are you challenged to take a year off your job, your study, to serve in this way?

As you saw at the evening service, Tim Unwin from Queensland is giving up a year of his time to go and work for The Boys' Brigade in New Zealand.

Richard Yiap, the Convenor of the Australian Committee is not at Camp (he's on his honeymoon), but the rest of the Committee is here - Don Smith (Assistant Camp Director), Glen Renton (Chaplain, Coonowring) and Paul Holdway (Tent Line Officer, Ngungu). Paul was the first person admitted to the Order in New Zealand - though he's an Aussie - so the service may be overseas. Richard Harkness (Camp Facilities Officer, Beerwah) from Zimbabwe has also just completed a year serving in the Order in New Zealand, so there's plenty of informed people around if you want to know more.

### A LETTER FROM MOSES PALIPAL

"Greetings and Merry Christmas. I hope you had a nice Christmas celebration.

Well life here is not so good with guns and wars. We are still struggling to have a peaceful time, but only God knows when our hope will be fulfilled. I am very sorry that we could not fulfil what we promised The Boys' Brigade in 1989. Please who ever you talk to, share our sadness and apology to our beloved brothers.

I would ask you to apologise for me to Mr. Head that crafts cannot be sent now. The time here is very short and gathering of our Boys is very hard, also most of our Boys have gone home.

Please hold us in Prayer and extend our request to other Boys and support in prayer is mostly needed. It is very late now and all the security forces are moving around.

Anyhow I am sending amount of \$220.03 to cover the cost of Membership badges (P.N.G.). Could you please send it to the above address?

Anyhow I better leave you, I believe you are very busy. May the Great bless you all. Regards from us to you.

Yours in Christ, Moses Palipal.

## IMPRESSIONS

By Jarratt Boyd, 195th NSW Tamworth

Finally, I found people who were brave enough to let it all out. Neil Hanson of Tibrogargan, Jim Lamborn of Ngun Ngun and Mark Hanlon of Coochin told me of their impressions of the Camp so far.

For Neil and Jim this is their first Camp, but number three for Mark who went to Canberra and Adelaide. At first sight, the Camp looked fairly good and interesting, Neil arriving before Camp started, Jim arriving a little late and Mark practically on time.

Not having seen the food walk off the plate, Neil, Jim and Mark don't mind it at all. "The food here is better than at home," Jim said. Mark likes the idea of having a mess tent for each Company which hasn't always been the case in the past.

As the day progresses onwards they have enjoyed the camp activities and outings. Well Neil and Mark have. Jim, being an officer does a lot of supervising and says it can get boring sometimes. "But someone has to do it," he went on, "I've done most of them except the flying fox. Some parts of Camp could have been better."

For Neil, the outings away from the campsite are an exceptional part of the Camp because this is his first time in Brisbane. Mark says the Discover Brisbane exercise was his first real trip into the city as he comes up to the coast for holidays.

But for Jim, the journey into town and to Dreamworld aren't of any interest because he's a local from the 46th Brisbane Company. With all these journeys and activities I asked if they've been through many clothes and apparently they have. "The washing facilities aren't real good," Jim told me. "They need some more clothes lines, dryers for wet days and some more machines too."

Mark says the washing machines are good and at a reasonable price. He doesn't seem to agree with Jim about the clothes lines because he hangs a line in his tent and tears it down the next morning for tent inspection which he says he is doing well in. According to what Neil said, his tent has got to get its act together for inspection.

YOUR LOCAL CAMP NEWSPAPER

Afterwards, I asked them what they thought of other Officers and Boys. Neil said he likes all the other Boys and when it came to Officers he said some are good and some aren't because they are always yelling at the Boys to tell them what to do and to stop mucking around.

When I asked Jim what he thought of the Boys he said, "The attitude of the Boys is very back-chatted and you have to tell them ten to fifteen times to do something." Jim has gotten to know some Officers and Boys from other Companies, but he said he would like a lot more time to associate with others. So Jim doesn't get to bed until late and when he does he sleeps like a log. Before Mark goes to bed he trots off to the NCO's Club for a much needed break away from it all. "I'm impressed with the NCO's Club," he said, "It's really needed."

After their good nights of sleep they gave me their opinion on on the bugle call in the morning. Neil says that he is getting used to it and Mark thinks that it is dreadful.

To conclude my interviews, I asked them if they would consider going to the next Camp and I received a definite "YES". So guys out there it looks like we've got a "thumbs up". Keep up the good work!

### FUN AND GAMES DAY

We're now well into things at our 10th Pan Australian Camp. It has been such a superlative Camp so far - full of great activities and outings. It is about time that we focussed on a theme that is more relaxing and that provides some light entertainment.

Today's theme is FUN AND GAMES - a theme that will open itself up to a wide range of light-hearted activities. For those Companies that stay in at Camp, today there will be activities run throughout the day.

Some of the activities that you can't afford to miss out on are: IRON MAN - starting at 4.00pm at the Lake: CIRCUS ACTIVITIES: PURPLE PORRIDGE GAME: FLY COMPETITION: CANETOAD RACE.

Times and places for these activities will be announced throughout the day. Join in and enjoy yourselves as you become a part of our FUN AND GAMES DAY.

### FROM THE KITCHEN

By Russell Evans, 9th Harare Company, Zimbabwe

This is an update on how much food and drink has been consumed during the last six days.

**BREAKFAST** - We go through 930 boxes of cereal every day. That's a grand total of 5580 boxes of cereal since the Camp began. Put those boxes end to end and they would stretch from the Administration Building to the start of the Assault Course. We go through 150 kg or 54 tins of stewed fruit per day and 900 beef burgers.

**LUNCH** - 2000 slices of meat have been eaten during the Camp so far. Salads weigh in at 252 kg per day which comes to 1512 kg for the whole Camp. 726 litres of both plain and flavoured milk is consumed each day.

**DINNER** - We have been through 570 kg of meat throughout the Camp, 600 kg of potatoes and 360 kg of peas and carrots. 1200 litres of icecream have been consumed so far and 1200 loaves of sliced bread.

### FIRST AID REPORT

By Russell Evans, 9th Harare Company, Zimbabwe

So far there have been 57 medical injuries, including 29 major injuries. Well done to Camp Company Coochin for having the lowest number of injuries to date.

Good news for those that have got a little sunburnt. This is how to treat yourself. 1. Go into the shower at your body temperature. 2. Then gradually decrease the heat of the shower.

Our First Aid Officer is very concerned on two points:

1. Do not rush as fast as you can when doing the Assault Course. You may get heat exhaustion which can be very serious.

2. Please wear shoes and socks or have something on your feet at all times.

### ON THE BUSES.

By Thomas Matthews, 2nd Caboolture Company, Queensland

Camp coaches will have travelled the equivalent distance from London to Brisbane by the end of Camp. They have used enough fuel to fill 2.5 Olympic-size swimming pools. Three bus companies are operating at the Camp - Hornibrook Bus Lines, Sellins Coaches, and Red and White Coaches.

The Transport Department asks that all people going on the busses make sure that they are not late as one Company was for Discover Brisbane yesterday.

Distances travelled by the busses on the outings are as follows:-Dreamworld trip 235km; Sunshine Coast trip 278km; Bribie Island 133km; Lawton Pool 16km; Col Clifford Pool 16km; Indoor Cricket 16km.

## NORTHERN TERRITORY

Fifteen Officers and Boys have joined us from the place they call The Territory representing the two active Companies - Sanderson (Darwin) and Alice Springs. They bring greetings and look forward to mixing with Brigade people from other parts of Australia and Overseas.

### NEWS IN BRIEF

**TALES FROM TIBROGARGAN** - Boys from Coonowrin and Coochin Companies yesterday set the fastest time for climbing Mount Tibrogargan. They were at the top in just 48 minutes - 6 minutes faster than the previous best.

**PRF UPDATE** - By Alex Harkness, 146th NSW Blacktown. The PRF Auction was held on Saturday Night. The total money raised to date is \$4600.00. The Boys' Auction raised \$763.25 and the Open Auction \$2932.00 approximately. The morning Church Service raised \$1223.36 and the Evening raised \$219.31. In Adelaide \$6000.00 was raised and to date we are well on target to reaching that amount of money.

## CELEBRATION

**COME TO A PARTY** - As Boys' Brigade Australia celebrates 100 years, Big George celebrates his Fiftieth, so it is party time at Big George's. All day today drop in for cordial and biscuits and help celebrate. Be a mug and bring your own or cup.

**GREETINGS** - Hong Kong: "I would like to greet you on your success in the Camp Programmes." From Sunny T.P. Wu, Executive Director, BB Hong Kong. Tonga: "Our prayers and good wishes to you and to all participants." Rev. Simote M. Veia

## AUSTRALIAN CAPITAL TERRITORY

Canberra is represented at the Camp by some 62 Boys and Officers from five of the six current active Companies (5th, 6th, 8th, 9th and 11th). 14th Canberra were unable to attend the Camp as their No. 2 Section only commenced in 1989 and they had little time to develop the interest of the Boys who were only 12 years old in the short time available.

We offer each Camper a sample pack which shows places of attraction in Canberra and wish you continued enjoyment for the remaining days of the Camp. If you have time during the day, please drop in and see our display presentation in the Telecom Tent and pick up a Canberra sticker.

Teach me thy way, O Lord.

## 427 SILVER PENTAPACS AWARDED

It is pleasing to see the large number of Campers who are vying for a Pentapac Award. Four hundred and twenty-eight Boys received their Awards yesterday, the result of successfully completing three Pentapac Award activities to the satisfaction of the examiners.

The Silver Pentapac Awards by Company were as follows:

BEERWAH	13
TIBROGARGAN	88
COONOWRIN	78
NGUN NGUN	67
COOCHIN	100
ELIMBAH	81

The number of recipients per Company is very much governed by programme activities and so some of the Companies with low numbers are likely to catch up by the end of Camp.

Boys who did not receive their Silver Pentapac Award today should not be disappointed as there is still plenty of opportunity for them to complete this Award over the next few days.

For those lads that have completed their Silver Pentapac Award, the challenge is to strive for the Gold Pentapac Award. How about it, fellas? Don't leave the job half done if you believe you have the ability to go for Gold.

### ASSAULT COURSE TOP TEN

Coonowrin set the challenge and now they are struggling to keep up with the pack as times on the Assault Course get faster by the day. The next challenge for those vying for honours on the Assault Course will be to break the three minute mark. Support your Company runners with a cheer squad when they go for the fast times on the Assault Course.

The fastest times at the close of play on Tuesday were:

1st Mark Hanlon (Coochin) 3m13s; 2nd Brett Mendezona (Ngun Ngun) 3m34s; 3rd Tony Lockrey (Coonowrin) 3m38s; 4th Matthew Wootton (Coochin) \ Aaron Gribble (Tibrogargan) 3m40s; 5th Mark Harrison (Coochin) 3m42s; 6th Michael Griggs (Tibrogargan) \ Bruce Hogg (Coochin) 3m44s; 7th Michael Smith (Beerwah) 3m45s; 8th Ian Bennett (Tibrogargan) \ John Wills (Elimbah) \ Robert Doorey (Tibrogargan) \ Andrew Fletcher (Coonowrin) 3m47s; 9th Shane Slaughter\* (Elimbah) 3m50s; 10th Hans Nagel (Coochin) Andrew Pratt (Elimbah) \ Peter Robson (Elimbah) 3m56s; \* Denotes Junior

## **PACIFIC DAY**

**Most of you know what PRF stands for, but how much do you actually know about the work of The Boys' Brigade in the PACIFIC? This is our theme for today and it is a chance for you to get to know a little more of our PACIFIC neighbours.**

There are quite a few countries in the Pacific Regional Fellowship - do you know how many? How many of them do you know? See how much you are able to learn today as we focus on the PACIFIC. For those of you with creative imaginations, you will be able to include a PACIFIC theme as part of your day's programme - dressing up at meal times, inviting a PRF representative to give a talk etc.

## **"DECISIONS OR DELUSIONS?"**

**By Gene Goldby, 1st Toowoomba Company, QLD.**

**Many people have been wondering why it was that approximately 200 Boys and Officers during the evening service on Sunday decided to either recommit their lives to Christ or to initially accept Christ as their personal Saviour.**

Bob Wenn, the Senior Chaplain, believes that it was due to four reasons. Firstly, it can be the work that many Boys have already completed at their home companies over a period of time and the faithful Officers who have supported them. Secondly, he believes it was the planning that had taken place over the years by the PAC Committee for this to become an effective Camp that helped the Officers and Boys to step forward. Thirdly, the devotional studies which have been undertaken by all had been designed to lead Boys into a closer relationship with Christ. Finally on Sunday, Mr Wenn says he "cast the net" in God's name to discover who was willing to devote themselves to Christ.

"This is not an unusual occurrence. God is doing this kind of thing all over the world," says Mr Wenn.

Mr Wenn has worked for the past fifteen years with young people. Since 1974, Mr Wenn has worked in the Queensland Baptist Ministry and during the past twelve months has been helping with a new denominational ministry called "Discipling Dynamics" which aims to evangelise and disciple young people. For the two years ending June 1988, he was the Queensland State Chaplain of The Boys' Brigade. He prepared all the study guides and quiet time books in use during this Camp.

Although he was busy with other youth matters in his ministry, when the Brigade asked him to become Senior Chaplain in 1989, he eagerly accepted their invitation. As this is his first P.A. Camp he is very enthusiastic about it all.

The literature which has been prepared has been designed to help Boys continue on in their spiritual lives with God. Those who have committed their lives to Christ will have their names forwarded back to their home Company and their Chaplain and Captain will "follow them up" about their commitments.

The Senior Chaplain says in response to some Boy's skepticism, that this is no delusion. These decisions for Christ are real and already changed lives can be observed all through the Camp.

## A PROFILE OF ALFORD DORNAN

by Colin Swinton, 1st Harare Company Zimbabwe (Tibrogargan)

Alford Dornan is quite an amazing man to talk to. I met him down at the orienteering course relaxing in the shade.

His career in The Boys' Brigade started 56 years ago when he joined as a Boy and since then has moved forward with the Brigade travelling around the world. He has attended 7 Pan Australian Camps since attending his first in Rabaul, Papua New Guinea when he led a contingent of 15 New Zealand Boys. He is in Elimbah Company as a part of the New Zealand contingent.

Alford Dornan never regrets joining The Boys' Brigade, "Although I have been involved in the Boys' Brigade full time for 40 years, I still feel I have received more from the Brigade than I have been able to give". Alford Dornan was also a founding member of the Pacific Regional Fellowship, and has attended all the World Conference meetings since its formation and remains deeply interested in the Pacific Regional Fellowship.

The Lord should be praised for all He does,  
He knows the time to send the rain,

Never leaving us, always supporting us.

### MEET SOMEONE ELSE

We're coming up to the end of our camp - not too many days left to go now! You will undoubtedly have had some great times together and made a lot of new friends.

It's not too late, however, to MEET SOMEONE ELSE and make some new friends. You could meet someone new as you enquire about his programme for the day or as you chat to someone in the meal queue who you haven't met before. Some of you have recently made the acquaintance of the best Friend you will ever have. How about those of you who haven't met Him yet?

Some of you may never have the chance to be at such a great camp as this again. Don't let this unique opportunity pass you by without making the most of it. Make a real effort today to MEET SOMEONE ELSE - a final gesture to the best Pan Australian Camp we've had!

### SOUTH AUSTRALIA

Today is South Australia's Day, the last of the State Days to be held at the 10th Pan Australian Camp. There are 45 members of The Boys'-Brigade South Australia at the Camp, so take the chance to meet a few of them on their day.

## BUDDING ROBIN HOODS

by Bryan Rodrigues, 6th W.A. Armadale.

Trail bikes, day after day, are proving their increasing popularity amongst the Boys. Another such activity is Archery.

Situated near the Games Tent, it is indeed the breeding ground of budding Robin Hoods and William Tells. Such is the talent exhibited, that even the most amateurish archer could perform the trick of splitting the apple on someone's head. Although the person, preferably an Officer, who has volunteered should have a large life insurance fund and also have lived his/her life to the fullest.

Regardless of the fact that the size of the board is a huge one point two metres squared, any person behind it should have the skill of catching arrows through their heads. Such aim should make an accomplished archer such as Robin Hood very envious.

Yours truly had the honour of interviewing the William Tell of the Juniors, and the comments were:

"Pretty good, very enjoyable."

"Hard at first, but easy afterward. Excellent."

Thus the conclusion derived would be that Archery is extremely enjoyable and satisfies the inner need of the human to kill with the safe aspect of shooting at a target.

Dear Mr Evans,

I have got your address from Mr Jones in London as I am very interested in contacting a Boys Brigade company in Australia. He suggested I write to you as he thought you maybe able to assist me. What I want is to be able to communicate with an Australia B.B. company to find out differences between our two countries and the way in which our B.B. Companies, Battalions and Districts differ. I am asking this of you as it will help me with my International project and to subdue my curiosity. I thank you in anticipation.

Yours faithfully,

"TILL WE MEET AGAIN"

Saturday, 13th January, 1990

## TILL WE MEET AGAIN

**Well we've come to the end of the greatest Camp that we've ever had! What a fantastic experience it has been. The last 12 days have been non-stop enjoyment and excitement.**

Now, it's time to pack up and say goodbye. Time to leave the friends that we've made over the last twelve days. It's a time of sorting out and cleaning up; a time of parting and sadness.

Although it is the end of Camp and we will be heading off in our different directions, it's not the end of everything. We will have our memories (and what great memories they will be) and we will have the friendships that we have made. These friendships don't just finish because the Camp has ended. Some of you will be making a commitment to maintain these friendships despite long distances between you.

So, we say goodbye; goodbye and thanks to Queensland for hosting this great Camp - TILL WE MEET AGAIN.

### CAMP DIRECTOR'S COMMENTS

By Errol Payne, Ngun Ngun

Trying to catch up with Mr Neville Ray can be quite difficult, but once you sit down and talk to him the facts get quite interesting.

Mr Ray was approached to be Camp Director in April 1987 and in his opinion the Camp was very well organised with good discipline contributing to the success.

When asked what he got out of the Camp, he replied, "Seeing all those young men turn to Christ on the Sunday evening was certainly a moving experience."

He also commented favourably on the good structure of the programme. If he was asked to be Camp Director at the 11th P.A. Camp he said that he would seriously consider it.

In conclusion, he added that this was the most successful Camp that he had attended.

I am sure that you would like to join with me in thanking Mr Ray for all his hard work in leading the committees over the last couple of years that helped make this Camp a success make this Camp a success.

## CELEBRATION

Today is our day of **CELEBRATION!** This is our last full day together and marks the end of the greatest Pan Australian Camp we have ever had. What a great experience this Camp has been - in so many ways.

There are so many reasons why today should be one of **CELEBRATION**.

- . Celebrating the fun we've had together.
- . Celebrating the new experiences we've had; the new activities we've tried.
- . Celebrating the new friendships we've made.
- . Celebrating the new commitments we've made.

Tomorrow we'll be heading off in our different directions; leaving behind the places and events of the last twelve days. However, the memories, the friendships, the life-changing experiences will be with us forever - the legacy of a most significant and memorable experience.

TODAY is the climax of the 10th Pan Australian Camp - let's **CELEBRATE!**

## TOUGH COMMITMENT

By Rev Dr Gordon Moyes, Australian President.

While here at the P.A. Camp, I have been reading the biography of Admiral Peary, the first man to reach the North Pole.

This was a project that took twenty years of his life to achieve. He was a tough resolute man. Once frostbite killed his feet. He cut the soles off his feet, and a companion amputated eight toes. He then marched 500 miles with bleeding feet dragging a sledge of supplies.

He spent his life heading north - "northing" he called it. Nothing could stop him. He was even forced to eat his dogs to keep going! A man of clear purpose, tough character and determined commitment.

Jesus Christ called men to follow Him and change the world. He wants the best of men - men who are willing to be tough, determined, resolute and dedicated to His cause. To advance the Kingdom of God requires the best of Boys who will equip themselves to become the most able men possible for His service.

That will take all the qualities of Admiral Peary dedicated to Christ. Use this P.A. Camp to develop your skills and abilities, your toughness and resolution, so you can advance Christ's Kingdom among Boys. There is no greater challenge.

## THANKS FROM THE ADJUTANT

"I would like to express my sincere thanks to the many Officers and Boys who have cooperated throughout the Camp with the countless jobs required for the smooth running of the Camp. In particular, I would again like to say a big 'thank you' to the Boys and Officers on the Advance Party that toiled through those days of hot weather to ensure that the Camp was ready on the first day. Now, the challenge is to finish the job properly. Your efforts and cooperation will make the job of packing up so much easier."

Bruce Paterson, Adjutant.

THE P.R.F. MOTIVE

## PRF SHIRTS

Time after time throughout BB Australia, I've heard People complaining about the old-fashioned and boring tee shirts which have been produced to promote The Boys' Brigade afar. Due to this, the Pacific Regional Fellowship decided late last year to produce a colourful, trendy tee shirt which would be in keeping with younger people of today.

To undertake such a task, a large sum of money had to be outlaid to produce such a shirt. This money is usually budgetted for the development of The Boys' Brigade in the Pacific Region. Therefore, it is very important that the PRF recoup this money outlaid. The shirts will be available right up to the close of play at the international display tomorrow for the low price of \$9.50 each. All profits made through the sales of tee shirts will help to aid the work of the PRF. As Ray says, "Don't be the only one at Camp without a PRF shirt and matching sunvisor."

## NEWS IN BRIEF

**SCREENPRINT MANIA** - Our thanks to Barry Farquharson for giving his time to prepare the "Crazy, if you didn't come" screen which is now emblazoned on over 1000 tee shirts of various designs and sizes around the Camp.

**BIG GEORGE WANTS YOU** - If you haven't been in to Big George's and seen his selection of memorabilia, then line up today and have a good look around.

**BOGGED** - What was all that noise and clatter down by the minibike track the other night? Could it have been a truck and tractor stuck in the mud? Who could the drivers had been?

**THE COONOWRIN CHALLENGE** - Coonowrin made a charge on the Assault Course the other day and set some good times in a number of categories. Best boy, Tony Lockrey, 3m38s: Best Officer, David Unwin, 3m33s: O/C Geoff Robinson 4m55s: Adjutant, Barry Sims 4m54s: Chaplain, Glen Renton, 5m37s.

"GROT OF THE CAMP" - This Award surely must go to the Camper observed putting on socks "which would have walked out of the tent by themselves", who sprayed them with under-arm deodorant!!

FIRST AID REPORT - As the camp has progressed the number of accidents of a serious nature decreased. Of the 115 such accidents, nearly 25 per cent occurred in the first two days, which suggests that either those who are "accident prone" have done their thing, or we are taking more care and preventing accidents. THINK SAFE!!

CAMP VIDEO - A circular will be sent to Company Captains advising the availability of a Camp Video.

## FROM THE EDITOR

Firstly, our apologies for this morning's edition. Due to a printing problem the presses were not able to roll. As this is the last edition, I would like to take the opportunity to thank all those people who worked on and contributed to PAC Print.

## SPONSORS

Several organisations and companies have assisted with the 10th Pan Australian Boys' Brigade Camp. A short tribute is now given to some of those organisations.

PINE RIVERS SHIRE COUNCIL - \$1000 towards the cost of the front gate.

XEROX SHOP - The supply of a Xerox 1040 plain paper copier.

WORDCARE - A personal computer for the preparation of PAC Print and media releases.

NISSAN AUSTRALIA - Shade tent.

TELECOM - Shade tent.

PAM SMILES - Pam was responsible for the design of the Camp logo and all of the Camp stationery. This required many hours of work on a voluntary basis.

PARK SIGNS - You all saw the front gate - need I say more?

MAPLETON HOLIDAY CENTRE - People carrier.

ROSS PRITCHARD - Tip Truck.

LINDE LANSING - Forklift.

FAMILY RADIO - Pac-FM. In particular, John Cartmill for his work in setting up the radio station.

## SENIORS' EXPEDITION

"Really good, we worked really hard." "It was like eat, eat, eat." "Canoeing was pretty good." These were just some of the comments received from Seniors as they returned from their overnight expedition. The majority of the Boys enjoyed the experience and the adventure the expedition provided. Very few people on Camp would realise that a band of people were stationed some 120km away from the Camp for the sole purpose of running the Seniors' Expedition. Our thanks to Bob Bowers and his team for their dedication to the task of running the Senior's Expedition.

## 11th P.A. CAMP

It's already on the drawing board. As we now know New South Wales will be our hosts although the exact site has not yet been decided. Newcastle has already indicated that they would be interested, but there are many other sites to consider. We understand that within six months a decision will be made.

## PARKING VIOLATION

10th P.A.C.  
PROVINCE  
OR STATE

PXZ-672  
AUTOMOBILE  
LICENSE NUMBER

10.35 AM  
TIME

FORD FAIRLANE  
MAKE OF AUTOMOBILE

This is not a ticket, but if it were within my power, you would receive two. Because of your Bull Headed, inconsiderate, feeble attempt at parking, you have taken enough room for a 20 mule team, 2 elephants, 1 goat and a safari of pygmies from the African interior. The reason for giving you this is so that in the future you may think of someone else, other than yourself. Besides I don't like domineering, egotistical or simple minded drivers and you probably fit into one of these categories.

I sign off wishing you an early transmission failure (on the expressway at about 4:30 p.m.). Also, may the Fleas of a thousand camels infest your armpits.

WITH MY COMPLIMENTS

## COOKS IN THE KITCHEN

By Paul Freame, 13th Victoria, Syndal

What on earth are those strange noises we hear coming from the kitchen? Who in their right mind would cook for 900 people for 12 days?

A group from an Army unit at Enoggera decided to take on the task of feeding us - the starving 900. The cooks have been involved in a few activities around Camp. They challenged 5th Canberra to a game of volleyball and the cooks lost.

The cooks are in a range of areas such as Light Horse, Field Squadron and Workshop. We would like to thank all of the cooks for their time efforts and patience. Beside all rumours we all enjoyed the many meals that you provided for us.

Also thank you for the speedy delivery to all the camp companies.
