

BUCKINGHAM PALACE

28th February, 1984.

Mr M. Hudson.

Thank you for your letter of 21st February 1984 and for delivering at Buckingham Palace a selection of 50 loyal messages from the 700 which were collected by a Centenary Car Run from Land's End to John O'Groats. I have laid these messages before The Queen, who has seen them with great interest. I should be grateful if you would convey the warm appreciation of Her Majesty for the very touching messages representing 35,000 members of the Brigade including Officers, Boys and Old Boys and incorporating some 10,000 signatures.

Yours sincerely,

Philip Glanville
